Arbiter – RefPay Integration

What is RefPay?

A new system where schools, conferences and officials associations transfer funds electronically. The most common use will be for schools and associations to pay officials' game fees.

Creating a RefPay Account

Begin by going to www.refpay.com and click Sign-up / Register, which will start the six-step registration process.

Enter your personal information

Date of Birth and SSN are required.
Neither assigners nor Arbiter
employees see this information, but it
is needed for 1099 purposes.

When all required fields
are completed click **Next**

Step 4 of 6

To receive payments through direct deposit your bank information is required.

Receiving payments by check or debit card may require a fee so direct deposit is recommended.

This information can be entered later if not done at this time.

Bank Account Information

Bank account information is not required to create a RefPay account. However, bank account information allows the user to receive payments by direct deposit and/or fund their RefPay account. Users will only be able to receive payments via check or RefPay debit card if bank account information is not provided.

Create Sign-in Information

Select a username, password and four-digit security key as your RefPay sign-in information.

Your email address is acceptable as your username should you like to keep that the same as your Arbiter sign-in information.

The username and security key will be entered your Arbiter account so write them down.

You can receive your RefPay funds in any of three ways:

1. Direct Deposit
2. Send to Debit Card
3. Ask that a check be mailed

Officials can also send other officials or schools money through RefPay for times they may get paid for a game someone else worked.

For Officials

Congratulations, you may now be paid through RefPay.

Repay is free to officials if funds are direct deposited to a bank account monthly.

Additional direct deposits can be made each month for \$2.00.

Sending money to a RefPay Debit Card may have a cost (we are still in negotiations on this one).

Requesting a check is \$3.00.

These fees were set by RefPay (before Arbiter got involved) and might be changing.

Security

RefPay was designed to protect your data. Our 128-bit encrypted website uses the same technology as most online banks. Arbiter employee access to RefPay information is completely restricted and all accounts audited daily. RefPay funds are kept in an FDIC-insured account with a fully-accredited and trusted local bank.
