

The following dates, times, and Zoom meeting links will allow you to join us for the best practices panel discussions on the four certified officials that the CHSAA requires at every qualifying meet. If you are unable to attend any of the dates, all sessions will be recorded and placed on the T&F Official's site at CHSAA.org to view at a time that is most convenient for you.

I will facilitate a panel of three veteran officials that will share valuable ideas centered around how you officiate Colorado's Qualifying Meets. We all know that it takes many more people than the four required officials to pull off a successful event. While you may be hired as one of these certified officials, you will probably assist many others officiating the meet as well.

We will also welcome questions and ideas from anyone that is attending that evening. Several procedures we implement as officials must be completed the same way, but there are multiple ways to accomplish many other tasks that we all take on when officiating a qualifying meet.

I look forward to seeing you at any or all sessions. Please contact me if you have any questions.
