

SPECTATOR POLICY

All spectators are required to adhere to the following guidelines while watching a CHSAA Golf Tournament.

Spectators MAY:

- Walk on cart paths or in the rough, preferably staying one shot ahead of the group so as not to hold up the group behind.
- Remain a reasonable distance away from the players at all times.
- Help players look for balls. This should be done with no other interaction with the player.
- Encourage and support players with polite clapping and appropriate volume cheering.
- Use cameras or video cameras without causing a distraction to the players.

Spectators MAY NOT:

- Walk alongside the players while walking down the fairway or to the next teeing ground.
- Talk with the players, as this may be construed as giving advice.
- Attempt to give advice or rules information. If a rules official is not available, contact a coach.
- Utilize a golf cart except at the discretion of the host facility, CHSAA, or the Tournament Committee in charge of the competition, when warranted by health or disability.
- Enter the scoring area or interfere with any discussions related to the Rules.
- Disrespect tournament officials, volunteers, other players, or other coaches in any way.
- Distract play by talking loudly with other spectators or by using cameras or electronic devices.

Non-compliance with this policy may result in the spectator being asked to leave the course and a loss of future spectator privileges. Related players may incur penalties for intentional and repetitive spectator interference at the discretion of CHSAA or the Tournament Committee.
