

MASTER CLINIC

The master clinic will be provided online this year.

All umpires of the Colorado High School Softball Umpires Association (CHSSUA) will be able to access content for the master clinic, which will have guidance from the CHSAA office, topics related to rules and mechanics reviews, and other pertinent information for the 2023 season.

A link will be provided by the second week of July, 2023, and will be online for three weeks to complete the review of the videos.

There will be a supplementary feedback form which will need to be completed to gain credit for Master Clinic attendance.

REMINDER: You must attend an Master Clinic and one Field Clinic every 2 years to be eligible to work playoffs. You must attend 50% of area meetings-this year's requirement is four (4) to meet attendance requirement.
