February 2024

TO: GIRLS TENNIS COACHES
FR: BETHANY BROOKENS, ASSOCIATE COMMISSIONER
RE: INFORMATION FOR THE 2024 GIRLS TENNIS SEASON

Welcome to another tennis season! We are thrilled to be entering another amazing season! Please pay particular attention to the calendar dates in this document. This handbook will serve as a guide to assist you with your planning and it should be used as a source for quick reference to questions regarding dates, committee personnel, administrative duties, and day-to-day organization of matches and tournaments, as well as regional and state information.

There one major change to the **CHSAA bylaws** that I want to highlight:

1. **2310.5 SUNDAY CONTACT** — No high school interscholastic contests, practices for interscholastic contests, camps, nor association between participants and coaches/directors of any CHSAA sanctioned sport from the student's school shall take place on Sundays **during the competitive high school season (start of official practice through the state tournament)**. The Commissioner may, when deemed advisable, allow postponed state-level events to be played on Sunday. Teams playing on Monday in district, regional or in a state-culminating event will be exempt from this rule.
 - a. **EXCEPTION 1** – During the formal sports season a coach may have contact with his or her team on Sunday for a social, academic or service related activity that is strictly voluntary. The contact must be a voluntary, non-competitive/non-participatory activity.
 - b. **EXCEPTION 2** – During the school year, schools may petition the Commissioner for a waiver of the Sunday Contact Rule based upon religious, cultural, or educationally based events (non-athletic).

If questions arise and interpretations are needed, please do not hesitate to call the CHSAA office after contacting your athletic director. Please keep in mind that you are our best public relations director. Not only have your peers respected your role as a coach and leader, but also by your students and community members as well.

Before the competitive interscholastic season begins, check to make sure you have not scheduled contests in excess of the game/contest limit for your sport (see [CHSAA Sport Bylaws](#)). Teams that have played more contests than allowed in the Sport Bylaws will be restricted from state playoff activities, without appeal. Good luck! Your upcoming season will pass quickly and your efforts and accomplishments will be memorable to those involved in your tennis program.

CHSAA MISSION STATEMENT

"Seeking Excellence in Academics, Activities, and Athletics"

In pursuit of excellence, the Colorado High School Activities Association strives to create a positive and equitable environment in which all qualified student participants are challenged and inspired to meet their highest potential.

To fulfill this mission the Colorado High School Activities Association will:

- Act as an integral component of the educational process.
- Administrate, interpret, and seek compliance with the CHSAA By-laws as needed to promote fair play within Colorado activities and athletics.
- Provide diverse and equitable opportunities for participation that encourages all qualified students to take part in the activity/athletic experience.
- Provide an environment that enhances personal development through sporting behavior, character education, teamwork, leadership, and citizenship while increasing values that partner the educational standards of the State of Colorado.
- Recognize the outstanding accomplishments of Colorado athletes, teams, coaches, and administrators through our academic and activity awards programs.

SPORT SPECIFIC CHANGES (2023-2024 seasons)

- A. Reviewed and revised the regional team placements for all girls' classifications.
- B. Slightly altered the Individual State seeding criteria.
- C. Effective Spring 2023 – changed the team bracket dates (see V.)
- D. Effective Fall 2023 – during the team championship bracket, coaches will have the option to mutually agree to a 10-point tiebreak in lieu of the 3rd set during the round of 16, quarterfinals and semifinals. The team championships (finals only) will stop play after a team has won 4 matches to clinch the match.

SPORTSMANSHIP

CHSAA SPORTSMANSHIP REMINDERS

1. **MANDATORY SPORTSMANSHIP EXPECTATIONS – MUST READ PRIOR TO EACH DUAL/INVITATIONAL BY HOST:** “Welcome to the match today at _____. Here at _____, we hold Sportsmanship to the highest of expectations. Sportsmanship is a reflection of the students, coaches, and school. Sportsmanship displays the fairness of all participants including players, coaches, parents, and fans. Any unsportsmanlike behavior detracts from the integrity of the game and will not be tolerated. Coaches are required to take action today if they see, witness, or hear about any unsportsmanlike actions against their team. Today, compete knowing that principle and integrity is more important than winning. Play hard, compete reflecting yourself, your family, and school community, and show class in all you do. Good luck today!!!”

CHSAA Videotaping Rule

Per CHSAA Bylaws, videotaping matches off of the court is always allowed. If a coach/parent/player wishes to place a recording device *on the fence or on the court*, it will be allowed as long as it's for personal and non-commercial purposes. **If a player/parent/coach objects to the placement of the recording device, the recording will stop, OR, the camera will be positioned to exclude that player. The concerned parent/coach will notify the opposing coach as quickly as possible.**

NFHS GUIDELINES ON HANDLING PRACTICES AND CONTESTS DURING LIGHTNING OR THUNDER DISTURBANCES

These guidelines provide a default policy to those responsible or sharing duties for making decisions concerning the suspension and restarting of practices and contests based on the presence of lightning or thunder. The preferred sources from which to request such a policy for your facility would include your state high school activities association and the nearest office of the National Weather Service.

PROACTIVE PLANNING

1. Assign staff to monitor local weather conditions before and during practices and contests.
2. Develop an evacuation plan, including identification of appropriate nearby safer areas and determine the amount of time needed to get everyone to a designated safer area:
 - a. A designated safer place is a substantial building with plumbing and wiring where people live or work, such as a school, gymnasium or library. An alternate safer place from the threat of lightning is a fully enclosed (not convertible or soft top) metal car or school bus.
3. Develop criteria for suspension and resumption of play:
 - a. When thunder is heard, or lightning is seen*, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for at least 30 minutes and vacate the outdoor activity to the previously designated safer location immediately.
 - b. 30-minute rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or lightning is witnessed* prior to resuming play.
 - c. Any subsequent thunder or lightning* after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
 - d. When lightning-detection devices or mobile phone apps are available, this technology could be used to assist in making a decision to suspend play if a lightning strike is noted to be within 10 miles of the event location. However, you should never depend on the reliability of these devices and, thus, hearing thunder or seeing lightning* should always take precedence over information from a mobile app or lightning-detection device.

* At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.
4. Review the lightning safety policy annually with all administrators, coaches and game personnel and train all personnel.
5. Inform student-athletes and their parents of the lightning policy at start of the season.

Revised and Approved by the NFHS March 2018

MAXPREPS INFORMATION

**** Report accurate match/tournament results and records to MaxPreps.**

Please use the following steps to start the MaxPreps process:

1. Go to www.maxpreps.com
2. Select “Coach Login” on the top right-hand side of the webpage
3. Enter your e-mail address –This will be the e-mail address used to access your team
4. As a **new user**, you must register your e-mail address and create a password. The system will prompt you of these steps.
5. Next, you will be prompted to enter your Access Code. Please contact your AD for this information. Once your access code is entered you will be taken to your Team Page.
6. Once the login process is completed, use the top toolbar to add in or upload your roster, schedule a match, and enter/edit results.
7. The next time you visit the site as a **Returning User**, simply click on “Sign In” to access your team.

For MaxPreps support please contact our Colorado representative, Gerry Valerio at gerry.valerio@cbsinteractive.com

ETHICS RULES FOR TENNIS (SINGLES & DOUBLES)

- Tennis is a unique game which depends on ethical behavior between coaches, players, and spectators. Please treat each other with courtesy and respect (for the game and for each other). Hold yourself and your team to high levels of integrity to ensure fair participation for all those involved in this great sport.
- As a coach, in order to promote high levels of sportsmanship, please encourage your athletes to say the score orally and clearly before each point. **If you are ever unsure about a call, the ball is in. The player who hit the ball always gets the benefit of doubt.**

- **** If a position is unable to play for "3" consecutive matches, the coach may not substitute a player and must move the line-up up in order to ensure that the best players/teams are playing in that position based upon challenge matches.**
- ****All players must have competed in at least 6 events at that position before they can play at that position in Regionals. Extreme cases may appeal to Bethany at bbrookens@chsaa.org by Monday, April 22nd.**

- The tennis coach must present a player's list at the beginning of each dual match/tournament. The list shall certify that the team's best tennis player, determined by PLAY is the #1 singles player, #2 singles player, etc., with the exception of temporary replacements. A tennis ladder or challenge match results must be provided to prove team lineup.
- The doubles team may be any combination of squad members AFTER THE THREE BEST TENNIS PLAYERS HAVE BEEN DESIGNATED. However, the #1 doubles team must be the squad's best doubles team, the #2 doubles team will be the second best doubles team, #3 doubles team will be the third best team, #4 will be the fourth best team, which represents the squad determined by play.
- In order to maintain a fair and consistent tryout process, schools may only begin formal challenge matches for team line-ups beginning on the first formal practice dates. Players may be encouraged to practice in the off season, but any results may only be used as a guide. Per the ethics rule, official challenge matches must still occur and be formally documented.
- Schools with incomplete teams can't select the position of play for singles or doubles. (Example: A school with #1 and a #3 singles player must move the #3 singles player to the #2 position and complete all events in order #1, #2, and #3 singles.) The roster must be in order from #1 singles through #4 doubles.
- Coaches must provide a ladder or challenge match results that verify that a student is playing in a position #1, #2, #3 singles or #1, #2, #3, #4 doubles based on results of play.
 - Example: Bob Backhand must play at #1 singles if it is determined by play that he has beaten everyone else on the team. If Fred Forehand beats Bob Backhand in a challenge match at any point in the season, Fred must take over at #1 Singles
- All regional seeding points earned at a position must stay at that position.
 - Example: If Bob Backhand has earned 0 points when Fred takes over at #1 singles, the #1 singles position retains those points. Likewise if Fred had Earned 8 points at #2 singles then moves up, those 8 points stay at #2 singles.
- A player can only move up one position at a time based on challenge matches and the ladder must be provided for any opposing coach to view. A coach may choose to freeze a line-up at any given point in the season. If a coach freezes a line-up, there must be a ladder or challenge match schedule to document the line up at the time it is frozen.
- All points earned at a position stay at that position if changes are made. You must provide proof of any changes that occur during the season showing a student is playing at a specific position as a result of head-to-head play. Please document this so as to prove to the other changes a change in lineups.
- Q1: Can a coach develop a pool for singles players only to select the #1 singles player or must all singles and doubles players be considered before selecting the #1 and #2 players determined by play?
A1: All Players will be designated as #1, #2, #3 according to play. Separate pools for singles and doubles are not to be considered.
- Q2: Must a #1 doubles team that won a state championship the previous year split up to become a singles player?
A2: Yes, if the doubles are the best on the squad; no, if determined by play there are three better players.

CHALLENGE MATCH CLARIFICATION:

- All formal challenge matches must begin with the first formal practice date. Challenge matches to determine the top 11 players must take place on and after the formal practice start date.

GENERAL TENNIS GUIDELINES

BRACKETS

Individual State tournament brackets will be available after the Tennis Scheduling Meeting on Monday, **May 6, 2024**. Please visit www.CHSAANow.com for updated bracket information. The state scheduling meetings is only open to the CHSAA Tennis Committee members. **Scheduling requests will not be honored at the state tournament.**

SUBSTITUTIONS – REGIONALS/STATE

Only those players who competed in and qualified from Regionals are allowed at State. No substitutions are allowed in between Regionals and State.

COACHING

1. A coach may coach a player any time during the match so long as the coach is off the court, and the coaching does not interfere with play. Coaches cannot interfere with play during the point. The purpose of coaching is to offer advice to the player and coaches shall not in any way distract or annoy the opposing player or surrounding players/teams. If a coach in any way interferes with play or distracts an opposing player at any time, the coach shall receive a direct warning from the Referee or Official and the point shall be replayed (when USTA officials are not around, the opposing coach or tournament director may request a replay). For any subsequent violation, the coach's player, on the court where the violation occurred, shall be assessed a point penalty (by the offended coach or the tournament director). Penalties for coaching are not treated as part of the USTA Point Penalty System, and they do not accumulate. Coaching is only permitted by the head coach and any registered and or contracted coaches through their respective school. No parents may coach at any time during the match unless they are coaches under contract with their school. Coaching is only permitted outside the fence perimeter. On an empty adjacent court, coaches may stand at the doubles sideline on the same side as their own player (regular season matches only – regional and state will be set by tournament directors).
2. Coaches are encouraged to promote fair play and sportsmanship with their players. If officials are not present, they should overrule their players if poor calls are being continuously made, and they should call point penalties on their players if they are acting unsportsmanlike.
3. Coaching is permitted during medical time-outs and toilet visits. While coaching is allowed during tiebreaks and the 1st game changeover, it must be very brief and cannot delay play.

****REGULAR SEASON LINE-UPS & SUBSTITUTIONS**

1. If a position is unable to play for "3" consecutive matches, the coach may not substitute a player and must move the line-up UP in order to ensure that the best players/teams are playing in that position based upon challenge matches. Refer to the ethics rule outlined at the beginning of this document.
2. All players must have competed in at least 6 events at that position before they can play at that position in Regionals. Extreme cases may appeal to Bethany at bbrookens@chsaa.org by **Monday, April 22, 2024**.

SCRIMMAGES

To clarify conditions under which a tennis scrimmage may be held, players can play two out of three sets; however, no team score may be recorded and the matches must be used for the purpose of instruction and must be interrupted for coaching.

- The scrimmage rule reads:

Each player may participate in two scrimmages per season. This means that each student athlete may scrimmage on different dates. This will require that you keep very accurate records on each athlete to insure no player scrimmages more than two times. Scrimmages cannot be used to earn regional seeding points.

- If your team makes it to state, an additional scrimmage is granted.

OFFICIAL TEAM

An official team for each school will consist of 11 competitors. Each competitor will participate in one event only, i.e., No. 1 Singles, No. 2 Singles, No. 3 Singles, etc. If you cannot field a full team, you must fill the top positions first (singles), and then work your way down to doubles. You cannot forfeit the singles positions and just play #3 and #4 doubles.

INELIGIBLES

If an ineligible plays, the team forfeits the match, but points are awarded/maintained for regional seeding to the other individuals on the team. The ineligible player receives no points.

REGIONAL QUALIFYING REGULATIONS BY POSITION

The number of competitors shall be limited to No. 1, 2 & 3 Singles and No. 1, 2, 3 & 4 Doubles teams. A player may not represent his/her school in both singles and doubles matches.

NO AD SCORING/MATCH TIE-BREAK

No Ad scoring or Match Tie-Break in lieu of a third set may be used in dual matches if coaches agree. The Match Tie-Break should always be considered when darkness is approaching. If coaches cannot agree, the host school will make the decision. In no-ad, when games reach DEUCE, one point is played. The receiver has the choice of side in which to receive. The Match Tie-Break is the same as the tie-break used to decide a 6-all set except that it is the first to ten by a margin of two. These scoring methods will not be used in state competition unless there are extenuating circumstances.

TENNIS ETIQUETTE

Tennis etiquette will be strictly enforced. Each year dress concerns become more complicated. Principals, athletic directors and coaches, as well as players, should all become involved in promoting the integrity of the sport by dressing appropriately.

PROPER TENNIS ATTIRE WILL BE MANDATORY. The tennis uniform should be tennis shorts or the tennis team uniform approved by the school. All clothing should be appropriate and approved for tennis. Hats are acceptable. One color headbands are acceptable. Sleeveless shirts manufactured exclusively for tennis attire are acceptable. **Unacceptable attire is: jeans, cut-off jeans, jams, attire past the knee, undergarments hanging below shorts, tobacco/alcoholic advertisements and the like. Bandannas are not acceptable. Bare mid-riffs, cutoff sleeveless or cutoff muscle shirts are not permitted.**

Such actions as arguing with officials, using inappropriate language, displaying fits of anger, and throwing rackets all detract from the game of tennis. Coaches are responsible for the actions of their players from the first day of practice throughout the competitive season. These kinds of actions need immediate attention. Please correct these problems with your players during the season. Disciplinary action could result in loss of a game, set or match, or disqualification as determined by the site director and Tournament Committee.

For specific rules and regulations, please refer to the USTA [Friend at Court Rule Book](#).

USTA POINT PENALTY SYSTEM

Code Violations Delay (PLEASE REVIEW):

- Not resuming play within 30 seconds after a medical time-out or bleeding timeout.
- Delay caused by obvious cramping (but only if the player has already received a medical timeout for cramping).
- Receipt of evaluation or treatment for one condition on more than two changeovers or set breaks.
- Taking more than two medical time-outs during one stoppage of play.
- Not resuming play after a changeover or set break during which the player received treatment.
- Not resuming play within 30 seconds after treatment on a changeover or set break.
- Not playing within 25 seconds of having been directed to resume play.
- Passage of 25 seconds after any time violation.
- Delay caused by getting a replacement racket that is not on court.
- Leaving the playing area for any unauthorized reason.

Conduct Violations:

- Visible or audible profanity or obscenity.
- Abuse of racket, balls, or equipment.
- Verbal or physical abuse of a player or official.
- Coaching
- Abusive conduct by a player or a person associated with a player.
- Retaliatory calls (obviously bad calls made in relation for the opponent's calls).
- Unsportsmanlike conduct (any other conduct that is abusive or detrimental to the sport).
- Failure to follow the instructions of an official.
- Violation of any USTA Tournament Regulation (USTA Regulation I.N. 21.).

Penalties:

- First Offense: Point
- Second Offense: Game
- Third Offense: Default – Ejection
- A single flagrant, unsportsmanlike act may be penalized by defaulting the playing. See USTA Regulation IV. D. 7.

Time Violations:

- Delay between points or after warm-up.
- Violation of the 90-second changeover or 120 second set break rules.

Penalties:

- Violations shall be penalized as follows:
 - First Offense: Warning
 - Each additional offense: one-point penalty

POINT AWARDS

For season play, a point system will be used based upon participation, if the region decides to use seeding option #1. A player gets two (2) points for a win and one-half ($\frac{1}{2}$) point for a loss. Points will be based on the season record. A tournament counts like a match; if a player participates in a tournament, he/she gets two (2) points for winning the tournament, one (1) point for second place, and one-half ($\frac{1}{2}$) point for participating in the tournament. When a player withdraws or is withdrawn from a match that player does not take a loss; however, the opposing player must be present to count the match as a win.

A defaulted or retired player gets one-half point ($\frac{1}{2}$) for participation, the opposing player's gets two (2) points for the win.

UMPIRES/TOURNAMENT OFFICIALS

Coaches and players are expected to uphold the highest standards of sportsmanship and to fully cooperate with umpires and tournament officials. An umpire's sole purpose is to ensure fair play by enforcing the rules of tennis and code of conduct as prescribed the CHSAA and the USTA. Some of the duties which umpires will perform are: (When no umpire is present, coaches much include them in their coaching duties.)

1. Check courts and nets. Install scorecards.
2. Conduct pre-match briefings.
3. Time warm-ups, continuous play, changeovers, rest periods, and medical timeouts.
4. Observe play for fairness of calls, foot faults, and code violations. Resolve scoring disputes. Call lets, double bounces, touches, throughs, reaching over net, and invasions if the players do not.
5. Immediately take action to correct calls and penalize rule infractions.

NOTE: As a rule, coaches are encouraged to penalize their own players for rule violations but never those of opposing players (inform their coach).

6. When necessary, assist coaches in controlling spectator conduct.

Players and coaches must expect an umpire to exercise his/her prerogative to make a call or correct a player's call at any time. Players/coaches should never question an umpire's ruling that was based on an observed fact. If there is a question of rule interpretation, a brief discussion or explanation may be proper. It must be emphasized that umpires are impartial judges and as such are to be treated with respect at all times. Discussions should always be courteous and respectful followed by acceptance of the umpire's ruling.

CODE OF CONDUCT – INDIVIDUAL & TEAM STATE

If a player commits a code violation after the match is over during the dual team state championships, the penalty shall be assessed:

- Immediately to the next highest ranked singles/double team still on the court. The code would be assessed at the start of the next game or immediately in the tiebreak for this highest singles/doubles team.

If a player commits a code violation after the match is over during the individual state championships, the penalty shall be assessed:

- Immediately to the next highest singles/doubles team still in the individual state bracket. The code would be assessed at the start of the next game or immediately in the tiebreak for this highest singles/doubles team.

Rationale: In the individual state tournament, the player may or may not be in the playbacks after they lose this match. Since it's unknowns, the penalty/code will be enforced right away.

[CHSAA Emergency Action Plan](#) – Located on rSchool Digital Platform

Every member school is required to create a venue-specific Emergency Action Plan (VEAP) for each site that the member school practices and hosts athletic contest. *(Please use this template that has been created for consistency).*

The VEAP must include location, emergency access, emergency contact information and a listing of each member in protocol's duties. An Annual VEAP training must take place no less than one time a year.

This plan must be completed for all on-site and off-site practice/competition venues.

ASSOCIATE COMMISSIONER

RE: UPCOMING INDIVIDUAL REGIONAL TENNIS TOURNAMENTS

Thank you for hosting Regionals. The sooner you get feedback regarding these issues from your region, the easier your life will be. ALL RESULTS SHOULD BE IN MAXPREPS.

3A/4A – You may send this information out immediately.

5A – You will find out who is in your Region on Friday, April 26, 2024. At that time, please communicate the seeding options with them.

Enclosed please find the following important information you will need to run your Boys' Tennis Regionals. **Please note an electronic copy of the Regional Results Form will be e-mailed to you.**

- Sample letter asking to vote for one of the approved seeding criteria or one of your own.
- The sample letter also is asking everyone in your region if they wish to have a seeding meeting or just work off of straight points system. You must get input from everyone in your region regarding this.
- Copy of the different seeding systems.

All of these issues have been addressed by the CHSAA Tennis Committee in an effort to make your job easier and to be fairer to all involved.

Please poll your regional teams to determine what seeding system to use and to see if everyone wants a seeding meeting. You do not need to have a seeding meeting if everyone agrees it is not needed.

Make sure everyone understands that you will not be able to work around everybody's schedule.

If you have any questions, please call me at the CHSAA office at 303-344-5050.

Best of luck!

REGIONAL DIRECTOR SAMPLE LETTER

Dear Coach _____

Enclosed please find a copy of the various seeding criteria available for us to use at this year's regional tennis tournaments. Please use the form to vote for one of these systems. Please use this form to also let me know if you prefer to have a seeding meeting.

It is extremely important for you to understand at this early date that the tennis regions CAN NOT work around all the potential conflicts that arise in the spring.

The Region _____ tournament will be held on:

Dates: _____

Sites: _____

Times: _____

I have enclosed a copy of the CHSAA approved seeding guidelines.
(Regional Directors may include your own if you have one.)

Vote for one:

Seeding Process (outlined on pg. 22-23)

A. _____ CHSAA System 1

B. _____ CHSAA System 2

C. _____ Regional Directors System

Seeding meeting:

Yes _____ I want a seeding meeting.

No _____ No meeting needed.

Please Note: Coaches, it is your responsibility to contact your Regional Director to let them know your seeding preference. **Additionally, all match results should be in MaxPreps in order to verify accuracy.**

REGIONAL INFORMATION

Mandatory Regional Tournament Scheduling Protocol – 2 Days for 5+ Teams; 1 Day for less than 5 teams. All 1st Round of Playback Matches Must be Scheduled on Day 1.

Day 1: (less than 5 teams – 6 courts recommended) Beginning with #1 singles, #2 singles, down to #4 doubles, play all semifinal matches. Once the semifinal matches are complete, start the playback finals (pending rest time), and then the finals (pending rest time). Immediately following, play any state challenge matches, as necessary.

Day 1: (5 to 8 teams – 10 courts recommended) Beginning with #1 singles, #2 singles, down to #4 doubles, place all first-round matches on as many courts as you have. Once the first-round matches are complete, immediately start placing #1 singles, #2 singles, etc, on the available courts for the semifinals. If you have a round of playback matches to play prior to the playback finals, play those immediately following the conclusion of the 2nd round.

Day 1: (more than 8 teams – 10-12 courts recommended) Beginning with #1 singles, #2 singles, down to #4 doubles, place all first-round matches on as many courts as you have. Once the first-round matches are complete, immediately start placing #1 singles, #2 singles, etc, on the available courts for the quarterfinals. Following the quarterfinal matches, immediately start placing #1 singles, #2 singles, etc, on the available courts for the semifinals. As semifinal matches finish, play the 1st round of playback matches.

Day 2: (5 to 8+ teams) For all Finals Day, the tournament director should place each position, finals and playback, on at the same time as courts allow. For instance, #1 singles finals will play at the same time as #1 singles playback finals; #2 singles finals at the same time as #2 singles playback finals, and so on based on number of courts available. This is to allow for equity in rest periods for all players if there would be a playback for state. Immediately following the finals and playback finals, there will be a minimum 30-minute rest prior to any necessary state challenge matches, as needed.

REGIONAL REGULATIONS

DISQUALIFICATIONS

Once a player is defaulted from any round in regional or state, that player is ineligible to play the remainder of the tournament. The regional/state tournament committee with a minimum of three people who do not represent schools involved can consider any hardship or mitigating circumstances e.g., default for lateness. The disqualified player's position results in a BYE in the subsequent (playback) round. If a player cannot start the match due to injury or personal emergency, it will be treated as a BYE.

SPLIT SETS

The split set players may practice while others are being coached. The only exception is that they may not use new match balls; the tournament desk must give permission.

CHALLENGE BACK TO STATE MATCHES

The 3rd place individual/team may challenge the 2nd place finisher for a spot at State if they have not already played during Regionals. This challenge to state match does not affect regional finish for ribbon distribution.

RECOVERY TIME

The CHSAA recovery rule between matches is 30 minutes.

INJURY

After registration at regional competition, if a player becomes injured or sick, an alternate from the same school would replace the injured player, but must take the place of the seeding. No substitutions may be made once play has begun.

WEATHER

If weather interferes with play, the exact score of the game and/or set continues at the point of suspension. Once the tournament begins, play is continuous and may not be suspended for any reason other than severe weather conditions. If weather conditions do necessitate suspended play, schools should remain at the site to see if the weather changes. If the tournament begins on Friday and the weather interferes, play should resume if at all possible. No tournament can be scheduled on Sunday.

Weather Alternative

- (1) Delay
- (2) Lights
- (3) Donated indoor courts
- (4) Complete on Sunday

ACTS OF GOD – INTERRUPTED CONTESTS

Contests interrupted because of acts of God shall be continued from the point of interruption unless the teams agree to terminate the contest with the existing score or there are conference, league, CHSAA or National Federation game rules which apply.

TENNIS BALLS

At regional tournaments, each team is responsible for furnishing seven cans of Wilson tennis balls (if Wilson balls are still difficult to obtain, allowances will be made).

AWARDS

Medals will be awarded for the first four places at qualifying meets.

QUALIFIERS

The **Class 3A, 4A & Class 5A** regionals will qualify two players (1st and 2nd) in each event from eight regions. Challenge back matches are possible. If qualifiers to state are unable to compete, the next qualified team or No. 1, No. 2, or No. 3 individual from the same region may replace the vacant position. If a player who qualified from regionals is unable to compete at state, they cannot be substituted. The next alternate team/player needs to be pulled in.

MAXIMUM ROUNDS PER DAY

It is **recommended** that players not participate in more than three matches in a day unless the tournament committee considers additional matches to complete tournament play (i.e., weather).

SEEDING FOR REGIONAL TENNIS TOURNAMENTS

The reason we seed is to determine the best through the worst players in that bracket. Following are methods you can use to seed:

- All seeding points turned into the Regional Director are FINAL. Coaches CANNOT change points at the coaches meeting. All matches must be concluded by the Monday of the regional tournament prior to the seeding meeting. Only the matches completed by that **Monday** will count toward regional seeding points. Once the regional seeding meeting is complete, seeding changes cannot be made.

Recommended guidelines for seeding regional tournaments are listed below. If coaches cannot agree on another system, must be used.

I. SYSTEM 1: REGIONAL SEEDING SYSTEM FOR TEAMS THAT CAN BE EASILY SEEDED

1. The recommended system is designed for a region in which all the teams have played each other or can be easily seeded. The state point system should be used to determine each seed. Once each seed has been set, then they should be placed according to the recommended guidelines:
 - a. Seeding for regional tournaments will be determined by a point system based on participation. ALL PLAYERS WILL BE SEEDED.
 - b. The number of the seed is determined by points earned at that position by each player or team.
 - c. A player gets two (2) points for a win and one-half ($\frac{1}{2}$) for a loss.
 - d. Withdrawals count as a win but not as a loss (no participation).
 - e. Points will be based on the season record.
 - f. A tournament counts as a match; if a player participates in an all-day tournament, he gets two (2) points for winning the tournament, one (1) point for second place, and one-half ($\frac{1}{2}$) point for participating in the tournament.
 - g. **Any time two players have met during the regular season, the result of the match takes precedence over points for these two players.**
 - h. In case of a tie, first look at head-to-head matches. If that does not apply, the player or team with the most wins gets the higher seed. If the tie is still not broken, you flip a coin for their position.
2. These guidelines are designed to give the higher seeded positions the best possible chance to continue in the tournament and qualify for the state tournament.
3. Regional Eight-Team Player Bracket: Seed 1 vs Seed 6; Seed 8 vs Seed 4; Seed 3 vs Seed 7; Seed 5 vs Seed 2; playback rounds will follow.
4. Regional Sixteen-Player Bracket: Seed 1 vs Seed 7; Seed 14 vs Seed 6; Seed 10 vs Seed 16; Seed 12 vs Seed 4; Seed 3 vs Seed 11; Seed 15 vs Seed 9; Seed 5 vs Seed 13; Seed 8 vs Seed 2; playback rounds will follow.

Point Awards for Regional Seeding

Dual: 2 points - Win
 $\frac{1}{2}$ point - Participation

Tournament: 2 points - Win
1 point - Second Place

$\frac{1}{2}$ Point - Participation

How to Break Ties

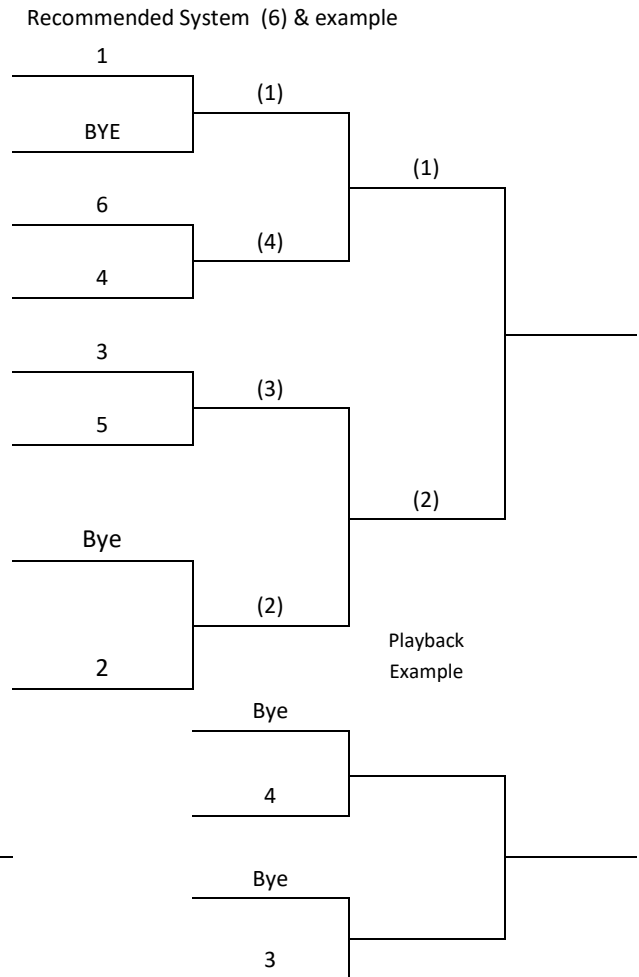

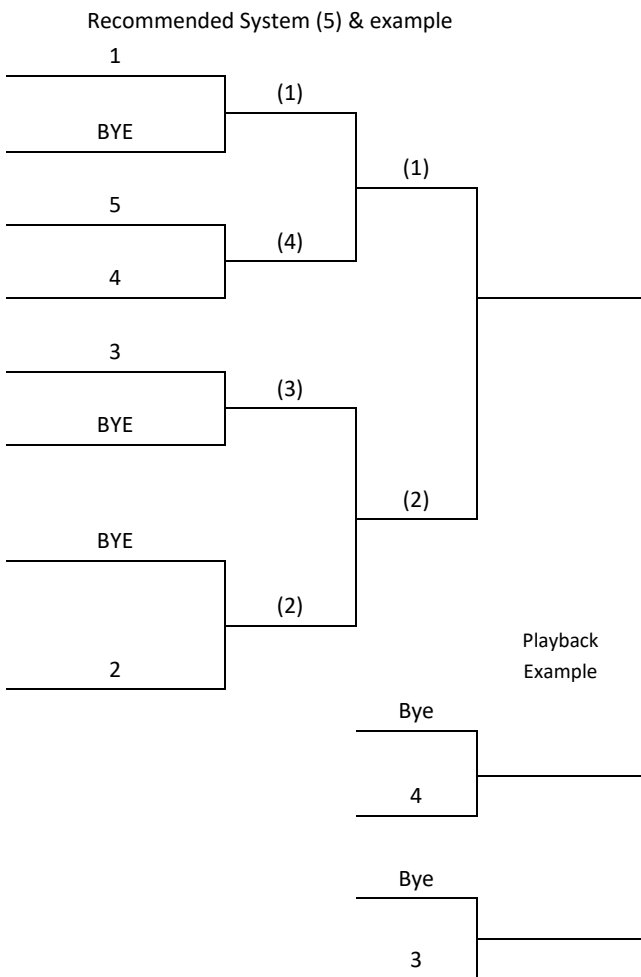

1. Head-to-head matches
2. Player or team with most wins
3. Flip a coin

II. SYSTEM 2: REGIONAL SEEDING SYSTEM FOR REGIONS WITH OUTSIDE TEAMS

1. The adjusted recommended regional seeding system is designed for seeding a league and outside teams that might not have played each other.
2. The system is set so the **TOP FOUR** players/teams are seeded and the remaining players/teams are randomly drawn. There will also be playback rounds.
3. Seeding will be done based on:
 - a. Head to Head
 - b. Strength of Competition
 - c. Common Opponents
 - d. Points

Regional Seeding & Placement

If more than a 16-player bracket becomes necessary, the region may decide to utilize a 32-player bracket or plan an elimination process between the lowest seeded players in order to arrive at a 16-player bracket. The top seeded players should be given the BYES in the first round. The recommended system is designed for a region in which all the teams have played each other or can be easily seeded. The state point system should be used to set each seed. Once each seed has been set, then they should be placed according to the recommended guideline. This guideline is designed to give the higher seeded positions the best possible chance to continue in the tournament and qualify for the state tournament. The top seeded players are given BYES in the first round. Players must win a match to earn any points.

STATE TOURNAMENT INFORMATION

TEAM STATE BRACKET PROCESS

The Tennis Committee will meet in Monday, April 22 to create the dual team brackets (1 per classification). The committee will use any and all criteria to seed: UTR, strength of league, overall record, strength of competition, head-to-head competition and common opponents.

The higher seeded team(s) will host during the dual team championships through the semifinals. The finals will be held at a neutral site.

INDIVIDUAL STATE BRACKET PROCESS

The Tennis Committee will meet the Monday before the Individual State Tournament to bracket each of the seven positions. No outside coaches are allowed to attend.

The bracket creation process is as follows:

1. All 16 individuals/teams will be considered for placement on the draw.
2. The top 8 individuals/teams will be placed. The #1 seed will be on the same side of the bracket as the #4 seed. The #2 seed will be on the same side of the bracket as the #3 seed. Numbers 5-8 will be seeded appropriately.
3. The committee shall consider the following factors (in no particular order of importance): strength of league, overall record, strength of competition, head-to-head competition and common opponents.
4. The remaining Regional Winners (#1's) will be randomly drawn for places on the draw.
5. The Regional Finishers (#2's) will then be randomly drawn for matches against a Regional Winner.
6. All Regional Winners will be paired against a Regional Finishers.
7. No two teams or individuals from the same Region will play each other during the first round of the state championship.

****Please Note – Absolutely no rescheduling of matches or altering match times. State participants are expected to be available for the entirety of the three days and no scheduling requests will be honored.***

WEATHER POLICY FOR TENNIS

In case of bad weather the tournament committee will put together a plan to get the championships completed as efficiently and fairly as possible for all participants and schools involved.

TOURNAMENT COMMITTEE

The tournament director and the tournament committee will be the final authority on all matters with respect to the management of the competition. Enforcement and/or interpretation of all rules in accordance with CHSAA policies that pertain to the play on site will be the responsibility of the group, i.e., postponements, conduct, and forfeiture, etc. would be such items. **TARDINESS** – USTA lateness penalties are applicable.

RECOVERY RULE

The CHSAA recovery rule between matches is a minimum of 30 minutes.

WARM-UPS

Prior to the warm-up the order of serve and the side of court choices shall be determined. All warm-ups, including practice serves should be completed within ten (10) minutes.

TENNIS BALLS

Wilson High Altitude optic yellow tennis balls will be used.

MATCH FORMAT

Full two out of three tiebreak sets, with a full third set if you split sets.

TRAINERS

Trainers will be onsite at all state locations. TRAINERS MAY NOT BE AVAILABLE AT SATELLITE SITES (if needed); SCHOOLS MUST PROVIDE THEIR OWN TRAINERS.

MEDICAL SERVICES

Medical personnel will be on site or on call for all tournaments.

SALE OF SOUVENIR ITEMS

No sale of souvenir items such as T-shirts, etc., other than the approved contractor by the CHSAA office is permitted at any regional or state tournament.

AWARDS

[Certificates for every individual who participates in a state tournament are available online.](#) Medals will be awarded to the first four finishers in each division of the individual state championship bracket. A team trophy will be awarded to the championship team and runner-up team.

SUBSTITUTIONS

If qualifiers to state are unable to compete, the next qualified team or No. 1, No. 2 or No. 3 individual from the same region may replace the vacant position. No substitutions from teams are allowed between Regionals and State.

OFFICIALS

Roaming officials will be used at the state tournaments.
