July 2024

Boys Soccer Athletic Directors, Coaches and Officials:

Welcome to the 2024 CHSAA Boys Soccer Season! With the start of a new two-year cycle in the Fall of 2024 comes several changes to the sport of Boys Soccer. Most notably, an increased 2A postseason format that will expand the bracket from 16 to 24 teams. Additionally, several schools will find themselves in a new classification starting in 2024, making it important for coaches and administrators to confirm their individual placement for the upcoming season. Throughout the Bulletin you will find detailed information on these updates, along with additional specifics on the 2024 season.

The online Bulletin is published yearly to offer information on the regular and post season, important dates, along with CHSAA and NFHS rules and procedures. It is your responsibility to review and make yourself familiar with the information contained within this Bulletin. Should you have any questions throughout the season, please do not hesitate to contact me directly. You will also be able to find relevant information on the [www.CHSAANOW.com](http://www.CHSAANOW.com) website.

The 2024 Boys Soccer Season will again feature 32 playoff qualifiers (24 2A) across classifications with a Championship played on November 16<sup>th</sup> at Weidner Field in Colorado Springs.

Best wishes to all two hundred twenty-five of our CHSAA Member Boys Soccer schools during the upcoming season.

# **MAJOR SOCCER COMMITTEE REPORT CHANGES:**

## I. MAJOR CHANGES FROM 2023-2024 REPORT:

A. Expansion of the 2A postseason bracket from 16 to 24 teams.

## II. RATIONALE:

A. The 2A classification has expanded each of the last few cycles. Beginning in the 24-26 cycle, there will be over 50 schools playing boys and girls 2A soccer respectively. That number aligns the 2A classification with 3A-5A, which each have 32 postseason qualifiers. The Soccer Committee feels that based on these numbers and taking into consideration the competitive balance of the classification, a 24-team bracket beginning in the 24-26 cycle is appropriate.

## **2024-2025 NFHS Soccer Rules Changes**

**4-1-4d:** Clarifies there is not a limitation on the color of tape or sock worn at or below the ankle.

**Rationale:** Athletes have the flexibility to modify socks within the existing regulations. Frequently, they remove the foot of one sock to layer another underneath, enhancing comfort or grip inside their shoes and fastening the top sock around the ankle. Any tape or similar material used above the ankle must match the sock's color, while at or below the ankle, any color is allowed. Referees are no longer required to oversee socks below the ankle.

**Rule 12:** Reorganized the rule for clarity and consistency.

**Rationale:** The Fouls and Misconduct rule has been revised to eliminate duplicate language and improve usability. The main changes involve reorganizing the existing rule for clarity. Sections have been rearranged to enhance ease of reference, and a new section addressing Stopping a Promising Attack (SPA) has been included. Certain general language in the rule has been modified to align with other rules codes. Section 6, Ejections, provides an ordered list of offenses by severity to allow associations more flexibility for determining post-game sanctions for misconduct. Additionally, an article has been added to clarify that all necessary conditions must be met for DOGSO (Denial of an Obvious Goal-Scoring Opportunity) to be applicable.

## **2024-2025 NFHS POINTS OF EMPHASIS**

1. Official's Toolbox for Game Management
2. Stopping a Promising Attack
3. After a Goal

# **COLORADO STATE RULE ADOPTIONS**

**Number of Officials** – Colorado has adopted the use of either a two or three-person officiating system.

**Suspended Games** – During the regular season, if one half of play has been completed, the contest will be declared official. If one half of play has not been completed, it will be restarted from the point of interruption.

## **Mercy Rule**

- A. During the pre-game meeting with the referees and the head coaches from both teams, the following material will be defined regarding the mandatory Mercy Rule.
  1. The head referee will facilitate the meeting of the coaches and will inform both teams that the game will be played under the mandatory Mercy Rule.
- B. Once a 7-goal differential between two teams is achieved, the referee will inform both coaches that the Mercy Rule has been invoked and the referee and/or timekeeper will let the official clock run during injuries, penalty kicks, after goals, and during referee disciplinary actions.
- C. Game termination – once a 10-goal differential is reached, and the first half of play has been completed; the referee will end the game during regular and post-season play.

**Overtime Procedures for Regular Season** – If the game is tied at the end of regulation, the result will be recorded as a tie. There is no overtime for regular season Varsity or Lower-Level contests. Any contests that are part of a CHSAA sanctioned tournament may use a shootout to advance a team in the bracket. The official game result, as it relates to record/standings, will still be entered as a tie in MaxPreps.

**Overtime Procedures for Postseason Games** – Up to Two 15-minute sudden victory (golden goal) overtime periods will be played. If neither team has scored after both overtime periods, Kicks-from-the-Penalty Mark will determine the winner. Reference page 25 of the bulletin.

**Ejected Player/Coach Penalty** – A player or coach ejected will be subjected to the CHSAA player/coach ejection policy, By-law 2200 and 2210.

**Student/Team Practice Requirement** – Each student competing in an interscholastic sports program must have had a minimum practice period of three days in their sport(s) (exclusive of Sundays) before representing his/her/their school in an interscholastic contest or scrimmage. A student must have a minimum of nine days of practice in football. Receiving school must have written verification on file if transfer of schools is involved.

The announcer is an integral member of game administration and is a reporter of information not necessarily obvious to spectators. Great care must be exercised to see that neither team gains an advantage from announcements over the public address system. Announcers are not "play-by-play" announcers.
- There shall be no amplified instruments at any CHSAA playoff events.

## **5. CHSAA Venue Sportsmanship Expectation Poster**

All schools are strongly encouraged to post the poster/flyer at all school contest venues, with or without using the card system protocols. The Sportsmanship Expectation Poster provides a consistent message for our schools to fans and spectators in our gyms about how to treat referees, judges, umpires, and other sports officials. Any size of the poster/flyer will do. Download the 8 ½ x 11 version at Chsaanow.com.

**CHEER FOR YOUR TEAM AND NOT AGAINST THE OPPONENT!!**

## MESSAGE FROM HSSO OFFICIALS' PRESIDENT

High School Soccer Officials (HSSO) is the CHSAA-sponsored organization which recruits, trains, evaluates, and when necessary, disciplines high-school soccer officials in Colorado.

We ended the spring 2024 season with 428 registered officials in Colorado – a significant increase from previous seasons and the highest number in the last 15 years. It allowed us to cover almost every game with a full crew - but with the ever increasing number of games, we always need more referees. Send any prospects our way.

Tuesday and Thursday games remain a challenge as that's when most schools seem to want to play their games. (sometimes 5 times more games on those days) Monday, Wednesday and Friday are much quieter. I would certainly advocate spreading your games across the week to get better coverage of your games.

As we continue to add new referees to the High School ranks, please give them your support and encouragement – especially the younger referees – they are our future.

We are always open to feedback and input on how to improve our organization and our referees. I'd encourage you to use the online evaluation forms to provide feedback whether positive or negative – every submission is read and acted on.

Please do not hesitate to reach out as we go through the season.

Good luck with your season.

Regards

Ken Hehir

President, HSSO

## EVALUATE YOUR OFFICIALS

**Coaches are asked to evaluate the crew of officials after each game.**

The CHSAA and the Colorado High School Soccer Officials Association value your input on the officiating in our state. The [Rate Your Contest Official](#) form can be found on the CHSAA Now Boys Soccer page. It is important that coaches approach this with the mindset that constructive criticism is the best way to improve officiating in Colorado.

## VOTING FOR POSTSEASON OFFICIALS

The High School Soccer Official's (HSSO) Organization will work to continue to bring you the best officials from the HSSO organization. To work postseason games, officials must submit an application by October 8 to be considered. Official postseason selection is based on the votes of Coaches, Athletic Directors, Assigners, and Area Directors that will be conducted October 14-21. **Coaches and Athletic Directors** - it is imperative that you participate in the voting which is done online through a link that will be provided to you from the CHSAA office.

## BECOMING AN OFFICIAL

If you or someone you know is interested in becoming an official, please contact the CHSAA official's office at [mtillman@chsaa.org](mailto:mtillman@chsaa.org).

# CHSAA REGULAR SEASON GAME MANAGEMENT

1. All regular season games will be played according to the NFHS and be completed by Saturday, October 26, 2024 for all schools.
2. Student/Parent Information – Completed and signed documentation that parents and participants have been informed, understand and acknowledge basic CHSAA eligibility rules and knowledge of the risk of participation must be on file with the school prior to any student participating in an athletic practice, scrimmage or contest.
3. Physical Exam/Parent Consent - No student shall represent his/her schools in interscholastic athletics (practice or contest) until there is on file with the school administration a statement signed by his parent or legal guardian and a practicing physician certifying he/she has passed an adequate physical examination within the past year (12 calendar months) and is physically fit to participate in high school athletics and has the consent of his parents or legal guardian to participate.
4. Trainer's Kit - The CHSAA recommends that a trainer's kit, with all the necessary medical supplies needed for your sport, be available at all practices and contests.
5. Language - Coaches are reminded that the CHSAA focuses on exemplary behavior. The use of bad language may be penalized by disqualification. Work with your athletes at the beginning of the season to understand that whenever the uniform is worn, they represent their school and the philosophies of the CHSAA.
6. Taunting - Taunting is considered any action(s) or comments by coaches, players, or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Game officials shall, in all sports, follow the rules set forth by the National Federation for each sport. Penalties under these rules may include ejection or other penalties for flagrant unsporting-like behavior-like offenses. Taunting in all sports and/or activities is an unsporting-like behavior-like offense that may result in a game ejection with penalties as outlined in the student ejection policy in the CHSAA Handbook.
7. Sunday Contact – In accordance with Bylaw 2310.5, no high school interscholastic contests, practices for interscholastic contests, camps, nor association between participants and coaches/directors of any CHSAA sanctioned sport from the student's school shall take place on Sundays during the competitive high school season (start of official practice through the state tournament). The Commissioner may, when deemed advisable, allow postponed state-level events to be played on Sunday. Teams playing on Monday in district, regional or in a state-culminating event will be exempt from this rule.
8. MaxPreps is the official site we use to collect data for regular season scores and statistics. Please report all game information to this site ([www.maxpreps.com](http://www.maxpreps.com)). More information and a user guide may be found on the CHSAA homepage: [www.chsaanow.com](http://www.chsaanow.com). All scores must be posted in MaxPreps by the home team within 24 hours of the end of the game.

NOTE: All schools competing against an out-of-state opponent must submit an out-of-state opponent's form (located on rSchool) which must be submitted before the date of the game.

9. Team Bench Areas - It is **strongly recommended** in the regular season (required in postseason) that both teams sit on the same side of the field as per Rule 1 – the Field of Play, Section 5 – Officials and Team Areas. This arrangement of both team areas on the same side of the field assists in the administration of the game. This arrangement of the teams has also proved to be successful in the sporting behavior of both players and coaches. If this recommendation does not accommodate the needs of your school soccer program it is understood.
  - a. There must be minimum 10 feet distance between spectators and team benches.

**b. Coaches/administration should assess and determine appropriate sideline spacing for each individual site.**

This is not meant to suggest that fans from both schools must sit on the same side of the field. At many soccer fields and venues, teams are on one side of the field and spectators are on the opposite side of the field. The practice of teams on the same side of the field is most common in club, youth, college, professional soccer and in World Cup competitions.

10. Field Markings - The CHSAA asks that you work with your maintenance and field staff to make sure your field of play is marked as per the NFHS rulebook guidelines. A field diagram can be found at the end of this bulletin as well as the NFHS rule books on the page following the table of contents. It includes the markings for team bench and officials' areas for teams located on the same side of the field, as per NFHS rules. It is the responsibility of each school and their athletic department, in cooperation with their grounds staff, to ensure their soccer field is marked in accordance with the rules of the game.

**Reminder to AD and coaches about soccer fields without fences or barriers for fans:**

There must be minimum 10 feet distance between spectators and team benches. The NFHS rules require a chalked or marked line 10' from the boundary lines. In addition, no one shall be permitted directly behind either goal unless seated in bleachers. Please locate the NFHS soccer field diagram in the front of the soccer rule book for directions to these markings.

11. Coaches of all levels (varsity, junior varsity, and freshman) must present to the referee or center official a copy of the up to date and accurate team roster, including bench personnel, numbers and names of all team players, before the game begins (should also be updated in MaxPreps).
12. The host school and tournament host school is responsible for keeping a varsity scorebook, which contains a team roster, including numbers and names of all team players for all varsity matches.
13. A game may only begin when at least 7 players are available to play; once a team is reduced to less than seven players the game shall be terminated (NFHS rule 3, Article 2, Page 14).
14. Uniform Requirements - Refer to NFHS Soccer Uniform Requirements listed previously in this bulletin.
15. Mandatory Mercy Rule:
- A. During the pre-game meeting with the referees and the head coaches from both teams, the following material will be defined regarding the mandatory Mercy Rule.
    - 1. The head referee will facilitate the meeting of the coaches and will inform both teams that the game will be played under the mandatory Mercy Rule.
  - B. Once a 7-goal differential between two teams is achieved, the referee will inform both coaches that the Mercy Rule has been invoked and the referee and/or timekeeper will let the official clock run during injuries, penalty kicks, after goals, and during referee disciplinary actions.
  - C. Game termination – once a 10-goal differential is reached, and the first half of play has been completed; the referee will end the game during regular and post-season play.
16. Suspended Games – If play is suspended for any reason during the first half of a regular season game, the contest will be restarted at the point of interruption or declared a no contest. If the game is interrupted after the first half has been completed, the game will be declared official.

If a weather element affects the field condition or safety of the athletes, by NFHS Rule, the home site management has responsibility to determine if the game is to be started. Once the game has started, the game referee then has sole responsibility to continue or terminate the contest.

17. Length of Game – Two equal halves of 40 minutes each shall be played.

Periods may be shortened by state high school association adoption, or if mutually agreed upon or in any emergency, by agreement of coaches or ordered by the head referee, provided it is determined to shorten the periods before the game or before the second half begins and all remaining periods are the same

length.

18. Tie-breaking procedure for regular season games – If the game is tied at the end of regulation, the result will be recorded as a tie. There is **no overtime** for regular season Varsity or Lower-Level contests. Any contests that are part of a CHSAA sanctioned tournament may use a shootout to advance a team in the bracket. The official game result, as it relates to record/standings, will still be entered as a tie in MaxPreps.
19. Maximum Student Participation - A student may not participate in more than 36 halves (across all levels) exclusive of regional and state tournaments. Example: A player who played 18 JV halves and 20 Varsity halves would've violated this rule.
20. Maximum Team Contests - No member school shall permit its soccer team to participate in more than 15 regular season soccer games. Further, no member school shall permit its soccer team as a representative of the school to play after the state championship tournament has been played (CHSAA By-law 2300.1 & 3920).
21. Game Minimum - All schools in the 2A-5A classifications will have a game minimum of 12 games (10 against NFHS Opponents) to be eligible for the postseason. A reasonable attempt to play all games must be made.
22. If some member schools elect to play junior varsity schedules **ONLY**, they will not be included in the CHSAA state post season tournaments.
23. Ejected Player Penalty – A player ejected for a red card will be subjected to the CHSAA ejection policy (CHSAA By-law 2200.1).

All players who receive a second yellow card in the same game shall be disqualified from the remainder of the current game, plus the next contest of the same level regardless of whether a red card was displayed. **If a player disqualification (red card) occurs, it is the responsibility of the coach and school to declare the individual ineligible for the next contest of that level regardless of whether you have been notified by the CHSAA.** The athlete may not take part in any other games at any level during this time (CHSAA By-law 2200.11). Failure to do so and allowing a disqualified player to participate in the next contest of that level could result in a forfeiture and possible playoff restriction for the team. If a player receives a game disqualification (red card) in the last regular season or region contest, he/she must miss the first game of the playoffs. If you have questions about potentially ineligible participants, seek answers from CHSAA before allowing the individual to compete interscholastically. NOTE: Sitting out scrimmages or foundation games does not satisfy the penalty for player ejections.

Any player ejected from a second match or contest during the same season shall be suspended from competition for the next two matches or contests of the same level. Any player ejected from a third match or contest during the same season shall be subject to a penalty to be determined by the Commissioner.

If a player ejection occurs in the final match or contest of the season, then the player shall be ineligible for the first match or contest of the next season of sport that player elects to play. In satisfying the penalty, the player must sit out a game in a sport in which he/she completes the season. See the CHSAA Handbook for more information.

24. Ejection of a Coach - CHSAA By-laws require that a credentialed (registered) coach under contract with the school must assume supervisory responsibility for all interscholastic contests. If a coach is ejected and no credentialed (registered) person from that school is available, the contest shall be forfeited.

A coach ejected from a contest for committing an unsportsmanlike act shall be suspended from coaching for 10% (2 games) of the season's regularly scheduled matches or contests of the same level. He/she/they may not coach in any other contest at any level during this time. A coach ejected from a second contest during the same season shall be suspended from coaching for 20% (3 games) of the season's contests of the same level (CHSAA Bylaw 2210.1 & 2210.2). **If a coach ejection occurs, it is the responsibility of the coach and school to declare the individual ineligible for the next contest**

of that level regardless of whether you have been notified by the CHSAA.

***CHSAA By-law Article 22, Rule 2210.21*** - A coach ejected from a game is required to complete the following courses offered on-line by the National Federation of State High School Associations (NFHS): Sportsmanship; Teaching and Modeling Behavior. These courses shall be completed before he/she will be removed from probation and must be finished in a reasonable amount of time during the season to be determined by the school's athletic director.

A coach ejected from two contests during a five-year period shall be required to appear at a hearing before the Commissioner or his/her/their designee and shall be subject to a penalty to be determined by the Commissioner (CHSAA Bylaw 2210.4). A coach ejected from three contests in a five-year period shall be placed on restriction (no playoffs) per CHSAA Bylaw 2210.5.

25. Reporting Red Cards for Athletes and Coaches - Game Officials are responsible for notifying the CHSAA Assistant Commissioner in charge of soccer when a member of the coaching staff at a school is given a red card for unsportsmanlike behavior. Game Officials are also responsible for submitting a [game report](#) for each game with all athletes red cards to notify CHSAA of any disqualified/ineligible students.

CHSAA will notify schools of the reports for both coaches and athletes; the coach/school is responsible for implementing the penalty regardless of notification from CHSAA.

26. Protests - Appeals – NO protests involving the judgment or possible misapplication of a rule by a game official will be considered by the CHSAA. However, coaches may direct questions to the game officials as they pertain to possible misapplication of the rules at the time of the occurrence, in accordance with the NFHS rules. Once a game has been declared as completed, the outcome is considered final and official. Coaches and Administrators are encouraged to use the [official evaluation form](#) available on CHSAANow.com for evaluation of all contests.
27. ALL Registered Coaches - Carefully review CHSAA Bylaw 1620 in the CHSAA Handbook regarding the qualification of coaches. Do not allow your athletes to receive instruction from anyone who does not meet the requirements established in CHSAA Bylaw 1620. Assistant coaches must be registered by the school's AD in accordance with CHSAA policy and must be under contract to the school. To allow a "volunteer" who is not under contract to work with your athletes exposes the "volunteer", the head coach and the school to increased liability and is a **CHSAA violation**.
28. Out of State Travel – A school group, team, or individual representing a school in athletic competition may travel outside of the state to compete upon recommendation of the school district administration and upon written approval of the CHSAA Liaison. Schools may fill out the form for out of state travel on [School](#) (click to go to Forms page).
29. The host school has the responsibility to ensure that an event is governed in a manner that emphasizes the educational values inherent in interscholastic activities. It is the host school's responsibility to remove any individual(s) creating a disturbance, which disrupt(s) the educational goals of the event and does not keep in mind the positive aspect of sporting behavior. Individuals, who by their actions, have become a constant disruption to the orderly governance of a high school activity shall be barred indefinitely by the school's principal, or his/her designee, from attending all high school activities at member school(s) and all sectional, district, region, and state playoff events. The CHSAA, the league, and offender must receive written notification of such action (CHSAA Bylaw 2240).
30. CHSAA Drone Policy - "The use of drones, also known as unmanned aerial vehicles, is prohibited for any purpose by any persons at all CHSAA-sanctioned events, unless express written permission is obtained: 1) from the host school district during regular season contests, or 2) the CHSAA for any postseason/playoff contest. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium/field/arena structure. For the purposes of this policy, a drone is any aircraft without a human pilot on board."

## **OFFICIALS**

Dressing Room - Where possible the official's dressing room should be in an area with the most direct access to the playing field. The officials' dressing room shall be used as a changing area for game officials only. The room should be stocked with water.

Security - It is the responsibility of game management to provide security escort for game officials to and from the playing field or court. If possible, the officials should be escorted to the parking lot.

Arrival at Site - Game officials are required to arrive at the game site per their officiating association's policy.

Communication with Officials - Except for contact as is necessary by game management all others are prohibited from talking to the officials before, during, at halftime or after games concerning matters related to the game. Officials are asked to report any such violations to the CHSAA office.

Halftime - Game officials will delay leaving the playing field or court until players and coaches have left at halftime. A security escort is to be provided to take officials to their dressing room and prevent contact or conversation between coaches and officials.

# **CHSAA POSTSEASON GUIDELINES**

The following information is relative to the 2024 Boys' Soccer Playoff Season. It is expected that coaches and Athletic Directors will review and become familiar with all information contained within.

For all classifications, the results of regular season play will determine automatic qualifiers and respective seeds in the postseason. Leagues or regions may use the results of their regular season schedule, or a system developed and approved by the league/region membership. This qualifying system must be submitted to the CHSAA office by the league prior to September 4, 2024.

If ties exist within the league/region, either the CHSAA qualifying point system or a tiebreaker developed by the league/region and submitted to the CHSAA office prior to September 4, 2024, or a regular season game or league Bylaws must be used to break the tie. The committee recommends that each league/region review their tie-breaking procedures prior to the beginning of the season. In the event a league/region does not file a tiebreaker system, or have it listed in the league/region Bylaws, the CHSAA universal tiebreaker will be used to break the tie (see CHSAA Constitution and Bylaws).

A playoff (involving 2 or more teams) may be conducted to break tie(s) in a league/region. However, IN NO CASE MAY A SCHOOL EXCEED THE 15 MATCH SEASON LIMIT to break a tie in the standings.

Regular season matches must be completed and reported in MaxPreps by Saturday, October 26, 2024. All postseason qualifiers must be determined no later than Saturday, October 26, 2024, with the pairings being determined on Monday, October 28, 2024. The CHSAA staff can approve alternate dates in extreme situations.

**It is the responsibility of the league/region representative to correctly list the Automatic Qualifiers for each classification and verify that they appear on the tournament bracket.**

## **BREAKING LEAGUE/REGION TIES**

If no other method has been established, league/region standings will be established by awarding 2 points for a win, 1 point for a tie and 0 points for a loss.

Leagues/Regions that break ties in the standings without additional play will do so by the leagues'/region's adopted tiebreaker system, a copy of which is to be on file with the CHSAA office for review. In the event a league/region does not file a tiebreaker system, it must break ties in the following manner:

1. Head-to-head (record against each of the teams involved).
2. Record against top team in the league/region.
3. Record against the next highest common league/region opponent above tie.
4. Record against next lower common league/region opponent below the tie.
5. Goals given up against varsity teams within the league/region.
6. Goals given up against varsity teams against teams in the same classification.
7. Goals given up in all varsity contests.
8. Coin flip by CHSAA Assistant Commissioner in charge of soccer.

## **QUALIFYING FORMAT AND ASSIGNMENT BY CLASS**

The seeding committee will be made up of one (1) administrator from each league in each classification. The administrator shall be selected by the league president and nominated to the CHSAA office for approval. Each league/region is responsible for creating a plan to determine the league's/region's automatic qualifier. The plan for each league/region is due to CHSAA at the start of the season.

In addition to the league automatic qualifier, the CHSAA Selection & Seeding Index (50/50 Split MaxPreps & RPI Rankings) will be utilized to capture at-large qualifiers to the State Tournament bracket. League automatic qualifiers not ranked in the top 32 teams by the CHSAA Selection & Seeding Index in 3A-5A and the top 24 in 2A, will replace the lowest ranked non-automatic qualifiers in the top 32 (3A-5A) and top 24 (2A) in the CHSAA Selection & Seeding Index. The CHSAA Selection & Seeding Index will seed teams 1-32 in 3A-5A and 1-24 in

2A. There will be no movement 1-16 for 2A-5A on the bracket based on the CHSAA Selection & Seeding Index. The placement of 3A-5A teams listed 17-32 and 2A teams listed 17-24 may be moved on the bracket due to geography and first round league opponents. The Seeding Committee will avoid league matchups in the 1<sup>st</sup> Round ONLY.

2A Playoff Qualifying Procedures – Each league/region will receive automatic qualifiers based on the number of teams listed in the league/region within their classification (i.e. multi-class leagues). Leagues/Regions with three (3) or more teams will have one (1) automatic qualifier advancing to the State Tournament bracket. Each league/region must start and finish the season with at least three (3) playoff eligible teams within their classification to have an automatic qualifier. League/region automatic qualifiers not ranked in the top 24 will replace the lowest ranked non-automatic qualifiers in the top 24 in CHSAA Selection & Seeding Index. The CHSAA Selection & Seeding Index will seed teams 1-24. There will be no movement for teams seeded 1-16 on the bracket. The placement of teams listed 17-24 may be moved on the bracket due to geography and first round league/region opponents. The Seeding Committee will avoid league/region matchups in the 1<sup>st</sup> Round ONLY.

3A-5A Playoff Qualifying Procedures – Each league will receive automatic qualifiers based on the number of teams listed in the league within their classification (i.e. multi-class leagues). Leagues with three (3) or more teams will have one (1) automatic qualifier advancing to the State Tournament bracket. Each league must start and finish the season with at least three (3) playoff eligible teams within their classification to have an automatic qualifier. League automatic qualifiers not ranked in the top 32 will replace the lowest ranked non-automatic qualifiers in the top 32 in CHSAA Selection & Seeding Index. The CHSAA Selection & Seeding Index will seed teams 1-32. There will be no movement for teams seeded 1-16 on the bracket. The placement of teams listed 17-32 may be moved on the bracket due to geography and first round league opponents. The Seeding Committee will avoid league matchups in the 1<sup>st</sup> Round ONLY.

Multi-Class Leagues/Regions – Teams that are playing in multi-class leagues (2A-5A) will have the opportunity to qualify for the State Tournament bracket through the final CHSAA Selection & Seeding Index if there are not at least 3 teams from that league represented in the classification.

#### **What happens if two teams are tied in the final CHSAA Selection & Seeding Index standings?**

We have created a tiebreaker for this unlikely scenario. It is as follows:

1. Head-to-head result between the two teams
2. Highest ranked team in the MaxPreps Rankings
3. Highest ranked team in the RPI Rankings
4. Coin flip

#### **POSTSEASON ELIGIBILITY**

Schools in ALL classifications (2A-5A) will have a game minimum of 12 games (10 against NFHS Opponents) to be eligible for the postseason. A reasonable attempt to play all games must be made.

#### **EQUAL FACILITIES**

Although it is necessary that one team be designated as the home team at common sites, it shall be kept in mind that the game belongs equally to both competing schools. It is strongly advised that a pre-game planning meeting be held to cover all details connected with the staging of every postseason contest. Game fields must be legal size fields for high school soccer and be in safe and playable condition. The CHSAA reserves the right to make sure all playoff fields are legal fields, as per NFHS rules and recommendations for high school field size. This will allow both teams a fair opportunity to compete and ensure proper seating for spectators with a restricted area between participants and fans.

#### **HOST SITES/VENUES**

In all classifications the higher seeded team will be the home team throughout the playoff bracket and will host all rounds except for the 5A quarterfinals, 2A-5A semifinals and 2A-5A finals. In 2A, both the first and second round games will be hosted by the top 8 seeds on a Friday/Saturday. The higher seed in all classifications will be designated as the home team in semifinal and final matches.

It is required by the CHSAA that quarterfinal postseason host sites follow all CHSAA playoff requirements

included but not limited to admission and all other amenities of a championship game, including bleacher seating, lighted venue and a secure playing field for players, coaches and officials.

Enclosed fields with suitable seating and where admission can be charged is the preferred venue for postseason games. Field conditions must meet minimum NFHS rules and recommendations regarding size of the field. Team bench areas located on the same side of the field are expected. The field should be secured in a manner to limit fan access to players, coaches, and officials. Please refer to the NFHS rule book for securing a field from spectators.

If natural surface fields aren't playable because of inclement weather, artificial turf sites (when available) will be used to stay on schedule. This will be a CHSAA administrator decision and schools will be notified.

### **POSTSEASON DATES & MATCH TIMES**

CHSAA will establish match dates. It is the desire of the CHSAA that schools **mutually establish** match times that best accommodate the interests of each school and community for non-neutral site rounds. Schools must consider the conditions in which the match will be played and make the best decision to accommodate the schools involved. **NOTE:** All **mutually established** match times are subject to final approval by the CHSAA office as needed. When **mutual** agreement for the match time cannot be reached, the following statements will apply for non-neutral site rounds:

- a. When postseason matches are to be played on a Saturday, games will be played at 1:00 p.m. when mutual agreement for the match time cannot be reached. In scenarios where the host facility is not available at 1:00 p.m., games will be played at 3:00 p.m. for non-lighted fields and 6:00 p.m. for lighted fields.
- b. When postseason matches are to be played on a weekday, games will be played at 3:00 p.m. when mutual agreement for the match time cannot be reached for non-lighted fields. Games will be played at 6:00 p.m. when mutual agreement for the match time cannot be reached for lighted fields.
- c. The Assistant Commissioner shall have the sole province to designate match times and sites, including when a school district is hosting more than one match. Conflicts, which could have a venue, academic or financial impact on the match, may be considered.
- d. All schools, both home and visitor, will be provided the opportunity to mutually establish the match time during the scheduling process. When mutual agreement cannot be reached, the above scenarios (a-c) will apply.
- e. The CHSAA postseason calendar will be adhered to when match conditions permit. When available, host schools shall attempt locate an artificial turf site that will be an alternative to stay on schedule.
- f. **Under no circumstances may a school host any type of ceremony during a CHSAA Postseason Soccer contest (examples include but are not limited to – Senior Night, Alumni Night, Homecoming Recognition, etc.).**

### **TEAM ARRIVALS & WARM-UP**

For all postseason games, teams should arrive at their designated/agreed upon time. **Each team is asked to provide a minimum of 2 ball shaggers for each game in which their team plays (4 maximum).**

Teams may not begin warm-ups on the field prior to 30 minutes before the game time for the semifinals/finals; for all other rounds, teams should mutually agree upon a warm-up schedule. No running around the track during game play. Warm-up location will be given to teams upon checking in at the stadium. When multiple games are played at a venue, 30 minutes on the field for warm-ups is guaranteed prior to the start of each game.

### **TEAM BENCH AREAS**

In the postseason, both teams must sit on the same side of the field as per NFHS Soccer Rules (Rule 1 – the Field of Play, Section 5 – Officials and Team Areas). This arrangement of the team area on the same side of the field assists in the administration of the game. This arrangement of the teams has also proven to be successful in the sporting behavior of both players and coaches.

- a. There must be minimum 10 feet distance between spectators and team benches.

- b. **Coaches/administration should assess and determine appropriate sideline spacing for each individual site.**

This is not meant to suggest that fans from both schools must sit on the same side of the field. At many soccer fields and venues fans are on one side of the field and team benches are on the opposite side of the field. If in the opinion of the home game administration this arrangement of both benches on the same side of field is not in the best interest of the game, then team benches may be separated on opposite sides of the field. It is the CHSAA's intent in the semifinals through finals that team benches will be on the same side of the field.

### **FIELD MARKINGS**

Postseason matches played on soccer fields without fences or barriers are required to have a chalked or marked line 10' from the boundary lines. This is to restrict fans from being within 10' of the field boundary lines. There must be minimum 10 feet distance between spectators and team benches. In addition, no one shall be permitted directly behind either goal unless seated in bleachers. Please locate the NFHS soccer field diagram at the front of the NFHS Soccer Rule Book for directions to these markings. Make sure your soccer field for postseason is marked correctly.

### **PRACTICE**

Participating teams will not be allowed to practice at the state championship site at any point during the state championships.

### **ANNOUNCER**

The announcer should be a school staff member or responsible individual who can set the tone of the game by calling the fans' attention to the following points of reference: (1) CHSAA playoff contests are conducted under the strictest code of good sportsmanlike behavior; (2) The officials are neutral individuals and have been selected because of demonstrated ability; (3) Fans are to be encouraged by the announcer to support their own team and display proper protocol and sportsmanlike behavior.

### **OFFICIALS' ASSIGNMENTS & PAYMENT**

The host school is responsible for assigning MATCH OFFICIALS in all 1<sup>st</sup> Round matches (exception is 2A, where CHSAA will assign officials for the entire tournament). The CHSAA is responsible for the assignment of MATCH OFFICIALS in the 2<sup>nd</sup> Round of the state tournament to the finals in 3A-5A. Payments to the officials will be made by the host school during the first, second and quarterfinal rounds (except for 5A Quarterfinals). Payments to officials in the semifinals and State Championship matches will be made by the CHSAA office. All the assignments will be listed on the Arbiter Sports site.

To access the officials that CHSAA has assigned, Athletic Directors need to access "The Arbiter Sports" web site: [www.arbitersports.com](http://www.arbitersports.com).

### **TRAINER**

A trainer will be provided at the 5A Quarterfinals, 2A-5A Semifinals and 2A-5A Championship matches by the CHSAA.

### **INCLEMENT WEATHER & SUSPENDED PLAY POLICY**

In the event inclement weather prevents postseason matches from being held on the regularly scheduled date(s), the CHSAA office will work with the host site to select the next available date for competition. The game(s) will be rescheduled as quickly as possible and will be played close to the originally scheduled date depending on facility constraints. If play is suspended for any reason in a postseason game, the contest will be restarted at the point of interruption.

If a weather element affects the field condition or safety of the athletes, by NFHS Rule, the home site management has responsibility to determine if the game is to be started. Once the game has started, the game referee then has sole responsibility to continue or terminate the contest.

### **ROSTER**

Maximum total of game participants/support staff in the team and coaching area is 32; this includes 25

players, and 7 essential personnel (coach, manager, etc.) will be admitted without charge for all postseason contests, including the semifinals and championship games.

### **GATE LIST & PROGRAM INFORMATION**

It is imperative that each team that has a chance to qualify for the CHSAA Boys Soccer Postseason complete the soccer gate list that will be sent to you from CHSAA via a link to an online form submission (you will also be asked to send a team photo). All gate lists and team photos **MUST** be received by **October 28, 2024**. This information is very important, as it will be used to develop the program as well as any press releases. You will **not be allowed to make any changes or additions to your gate list at the event**. Any changes **MUST** be submitted via emailing CHSAA in advance.

**DUE DATE FOR GATE LIST: Monday, October 28, 2024**

### **AWARDS**

Awards for the 2024 Boys' Soccer Playoffs will include a trophy for the championship team and the runner-up team in each classification.

### **AWARDS CEREMONY**

The CHSAA will have an awards ceremony at the conclusion of the championship game in each classification. The awards ceremony will be in the center of the field. School administrators and coaches are expected to assist in the awards ceremony by **NOT** allowing students and fans to join their team on the field.

### **CHEERLEADERS**

Twenty-eight (28) cheerleaders in uniform and two coaches may be admitted at no charge to state semifinal and state championship games. The group should enter the gates all together and must be accompanied by their coach.

NOTE: Due to varying sizes of facilities used at state semifinal and state championship games, certain restrictions or more limited numbers may be imposed.

### **PEP BAND ADMISSION INFORMATION**

Only 35 pep band members, and the director, will be admitted at no charge to the state playoffs, providing each member of said groups complies with the following conditions. Additional members may attend at the student fee at the discretion of host administrator based on facility space consideration.

Marching Bands/Pep Bands are asked to observe the following:

- Play only at pre-game, timeouts, and intermissions during games. At no time can bands, percussion, or any part of an instrument be played while the ball is in play.
- Respect/consider other bands in attendance. Every school should have the opportunity to complete a cheer and to have its band play (a meeting of the band directors prior to the start of the contest always helps to ensure good sportsmanship).
- Do not allow band instruments, drums, etc., to be used as noisemakers. Only a maximum of 2 amplifiers can be used for the purpose of amplifying a piano, guitar, or bass.

### **MEDIA RULES**

- Game and school officials have the final word on photographer placement.
- All photographers must be credentialed by the CHSAA. No school specific passes will be accepted.
- Team photographers not credentialed by the CHSAA will not have access to the field.
- High school student photographers must have the CHSAA issued media pass. No school specific passes will be accepted.

\*For more information on obtaining a CHSAA credential, please contact Zach Segars ([Zsegars@chsaa.org](mailto:Zsegars@chsaa.org))  
(Note: no credentials will be issued within 72 hours of an event)

### **TICKETING & TOURNAMENT FINANCES**

**[New playoff financial reporting requirements are in place for the 2024-2025 playoffs.](#)**

In a playoff game, if the host makes \$1,000 or more in net income from that game (revenue minus expenses=net income), then 25% of the net income gets paid to the visiting team. A simple T&PF form is required to be sent from the host to the visiting school to report the amount that will be paid to the visiting school. Sarah Vernon-Brunner, Director of Finance for CHSAA, will send the T&PF Form to the host to fill out.

No percentage of gate revenue is owed to CHSAA, and no travel reimbursements will be paid to the visiting team.

If a host distributes free tickets, this needs to be made equitable to the visiting team. For example, if a host school lets students in for free to a game, then the visiting team students should be allowed in free as well, as stated in the T&PF Committee Report.

## POSTSEASON GAME TIE-BREAKING PROCEDURES

If a game requiring a winner is tied at the conclusion of regulation, the Referee will instruct both teams to return to their respective team technical areas. There will be a five-minute break during which both teams may confer with their Coaches, and the Referee will instruct both teams on the following procedures.

1. Two 15-minute sudden victory (golden goal) overtime periods may be played.
  - a. Flip a coin for the start of the first overtime. Visitor calls the coin toss. The winner of the toss shall choose a goal to defend or to kick off in the first overtime.
  - b. The game is over when either team scores a goal.
  - c. If a second sudden victory overtime is required, there will be a two-minute interval. Teams shall exchange ends and alternate the kickoff.
  - d. If, after both overtime periods, the score remains tied, all Coaches, Officials and Team Captains shall assemble at the halfway line to review the Kicks-from-the-Penalty Mark procedure as outlined below.
  
2. Kicks-from-the-Penalty Mark (KFTPM) Mechanics:
  - a. The Referee shall choose the goal at which all the kicks from the penalty mark shall be taken.
  - b. A coin toss shall be held; visiting team calls. The team winning the toss shall have the choice of kicking first or second. Teams will alternate kickers.
  - c. Each Coach will identify **any** five rostered Players, including the Goalkeeper – on or off the field at the end of overtime – who will participate in the first five kicks. i. Exception: Any Player who may have been disqualified / ejected during the game is not eligible to participate in KFTPM.
  - d. Players shall remain in the center circle until beckoned by the Referee.
  - e. Each kicker shall report to the Referee in the penalty area. The Referee will record the Player's number and the kick order in their team's cycle.
  - f. The Goalkeeper who is to defend against the next kick attempt shall be located outside the field of play at the intersection of the goal line and penalty area boundary behind the Assistant Referee.
  - g. Once the Kicker has reported to the Referee to attempt a kick, they may place the ball on the penalty mark.
  - h. The Referee tells the Goalkeeper to take their place on the goal line, and then signals with a whistle for the kick.
  - i. The kick is completed when the ball stops moving, goes out of play, or the Referee stops play for any infringement of the rules.
  
3. Mechanics for sudden victory KFTPM (If tied after each team has attempted five kicks):
  - a. Kickers 6-10, each Coach will identify five **different** Players than the first five who have already kicked.
  - b. Kickers 11-15, if the score remains tied, continue the sudden victory kicks with the Coaches identifying **any** five Players to take the next set of alternating kicks.
  - c. Kickers 16-20, if the score remains tied, continue the sudden victory kicks with the coach identifying five **different** Players except those who participated in step 3b.
  - d. Repeat the steps in 3b and 3c as necessary.
  
4. Kicks-from-the-Penalty Mark (KFTPM) are complete when:

- a. Before both teams have taken five kicks, one team has scored more goals than the other team could score – even if it were to complete its allocated five kicks (e.g. 4-2). In this case, no more kicks are taken.
  - b. After both teams have taken five kicks, the team with the most goals (e.g. 5-4).
  - c. If the score remains tied after each team has had five kicks, KFTPM becomes a sudden victory situation (e.g. wherein if one team scores and the other team does not score, the game ends without more kicks being taken).
5. Pertinent Kicks-from-the-Penalty Mark (KFTPM) Rules:
- a. National Federation Rule 14-1 Art. 3: The opposing goalkeeper shall stand with at least one foot on or in-line with the goal line, facing the kicker, between the goal posts, and shall not be touching the goal posts, crossbar or nets until the ball is kicked. Lateral or forward movement is allowed, but the goalkeeper is not permitted to come off the line with both feet until the ball is in play.
    - i. PENALTY (Article 3): Infringement by the defending team is not penalized if the goal is scored. If a goal is not scored on the penalty kick, it is retaken.
    - ii. ADVICE: While the NFHS Rules do not specify if the Goalkeeper must be cautioned for encroachment on a Penalty Kick the advice would be to treat this situation as provided in the Penalty section and perform a retake if the Goalkeeper comes off the line with both feet before the ball is in play and is then saved. The first offense can be a Warning, the second offence a Caution for Persistent Infringement, and the third offense an Ejection for receiving a second Caution. This mechanic would be in line with current IFAB and NCAA interpretations for the game of soccer.
  - b. National Federation Rule 14-1 Art. 4: The ball shall be kicked while it is stationary on the ground from the mark or any place on the penalty kick mark. To be in play, the ball shall be moved forward. The player taking the penalty kick is permitted to use a stutter-step or a hesitation move provided there is no stopping and there is continuous movement toward the ball. Failure to kick the ball as specified shall be considered a violation by the attacking team and the appropriate penalties shall apply. Stutter-stepping is not an interruption in movement.
    - i. PENALTY (Article 4): If there is an infringement by the kicker and the ball enters the goal, the goal does not count, and the kick shall be retaken. If a goal is not scored on the penalty kick, it is not retaken.
    - ii. NOTE: A player who starts their approach and does not kick the ball shall be cautioned, and the kick will be retaken by another player.
  - c. Any Misconduct (Caution) by the Goalkeeper at any time during the KFTPM will result in the Goalkeeper being replaced for one kick by their opponent.
  - d. Any Misconduct (Caution) by the Kicker at any time during the KFTPM, will result in the Kicker not being eligible to kick until the next set of five kicks.
  - e. Results: Add one goal to the winning team's score and credit the team with a victory. Or report the tied score and place an asterisk (\*) by the team winning in KFTPM to indicate the advancement was the result of a tie-breaker system.
