TO: ATHLETIC DIRECTORS/COACHES OF SCHOOLS PARTICIPATING IN UNIFIED BOWLING

FROM: JENN ROBERTS-UHLIG, ASSISTANT COMMISSIONER
AUDRA PETERSON CATHY, COORDINATOR OF SPORTS

RE: 5th ANNUAL CHSAA HIGH SCHOOL UNIFIED BOWLING SEASON

The Colorado High School Activities Association would like to welcome you to the 5th season of the interscholastic unified bowling.

The attached bulletin contains the modifications, guidelines, policies, bylaws, and changes that are critical for you, your student/athletes and your program. This resource is a tool that is meant to be used throughout the regular season and post season. This is only sport specific information. While bulletins are a resource tool they do not take the place of the By-laws and Constitution.

We look forward to serving as your unified bowling commissioner & coordinator of sport for the 2024 season. Due to the growth of Unified Bowling the CHSAA office is negotiating a potential new championship venue for the upcoming year. Be on the lookout for that announcement soon. The championship event will take place on November 22. We wish you and your student-athletes a rewarding season. Chris Enzminger, Athletic Director at Littleton High School will chair the committee. The committee meeting will be December 3 at 9:00 am. This meeting is scheduled for an online format via ZOOM.

It is not too late to add a unified bowling program to your school and community. It is easy to start and a rewarding opportunity to get all student athletes participating. If you are interested in adding a program, please contact Jenn Roberts-Uhlig prior to September 20th.

As always, I would like to thank coaches for their time, effort and for continuing to develop and mentor young athletes.

HUGE thank you to our partners, Special Olympics Colorado

Sincerely,

CHSAA MISSION STATEMENT

"Seeking Excellence in Academics, Activities, and Athletics"

In pursuit of excellence, the Colorado High School Activities Association strives to create a positive and equitable environment in which all qualified student participants are challenged and inspired to meet their highest potential.

To fulfill this mission the Colorado High School Activities Association will:

- Act as an integral component of the educational process.
- Administrate, interpret, and seek compliance with the CHSAA By-laws as needed to promote fair play within Colorado activities and athletics.
- Provide diverse and equitable opportunities for participation that encourages all qualified students to take part in the activity/athletic experience.
- Provide an environment that enhances personal development through sporting behavior, character education, teamwork, leadership, and citizenship while increasing values that partner the educational standards of the State of Colorado.
- Recognize the outstanding accomplishments of Colorado athletes, teams, coaches, and administrators through our academic and activity awards programs.

The 2024 Colorado High School Activities Association Unified Bowling bulletin is prepared for school administrators and coaches. All coaches and athletic directors are urged to read and familiarize themselves with this document. A reminder, not every rule is covered in this bulletin. Schools are responsible for knowing the rules covered in the CHSAA Constitution and Bylaws and any United States Bowling Congress and Special Olympics. All contests shall be conducted under the United States Bowling Congress rules (link: [USBC](#)) in conjunction with Special Olympics Sports, Bowling rules (link: [Special Olympics, Bowling](#)). We also encourage schools to view the Unified Sports® Special Olympics Handbook that may be found here: [Unified Sports® Handbook](#)

Purpose of Unified Sports®

Dedicated to promoting social inclusion through shared sports training and competition experiences, Unified Sports® joins people with and without intellectual disabilities on the same team. It was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding. Having sport in common is just one more way that preconceptions and false ideas are swept away.

CHSAA UNIFIED BOWLING RULES & GUIDELINES

INTRODUCTION

The CHSAA Constitution and By-laws and United States Bowling Congress and Special Olympics are the official rules of the Association. This bulletin provides the regulations for Unified Bowling operations, but never supersedes the regulations found in the Constitution and By-laws nor the United States Bowling Congress and Special Olympics.

The By-laws should be read prior to the season. If any questions should arise or interpretations are necessary, please contact Jenn Roberts-Uhlig, Assistant Commissioner at CHSAA.

SEASON INFORMATION

The length of the Unified Bowling season shall be 13 weeks for regular season. The number of practices, practice times, contest specifics, and other details will be decided locally by the school district. Three practices must be completed prior to the first contest. One of the three practices must take place in a bowling facility.

The season starts the first day of practice and the season ends with the state tournament.

Bowling teams can compete only with other teams that are registered with the CHSAA during the Unified Bowling season.

PARTICIPATION

- The CHSAA has one competitive interscholastic division. Participation in the interscholastic program of a high school is limited to students in grades 9-12.

SPORTSMANSHIP

- **Conduct and Sportsmanship.** Member schools shall maintain proper crowd control and enforce the principles of good sportsmanship and ethics during all interscholastic contests. Failure to fulfill this obligation shall subject the school to penalties as provided in Article 22, Section 2200 of the [CHSAA Bylaws](#).
- **Conduct of Coaches and Athletes.** Coaches and athletes shall conduct themselves in accordance with the playing rules of the sport contest and refrain from unsportsmanlike conduct during interscholastic competition. Failure to fulfill this obligation will subject the individual(s) to the penalties as provided in Article 22, Section 2200 of the [CHSAA Bylaws](#).
- **Definition of Unsportsmanlike Conduct.** Unsportsmanlike conduct shall include the following: fighting, verbal abuse or dissent directed toward an official or opponent, racial or ethnic slurs, inappropriate comments or actions that may be construed as sexual harassment, profanity, obscene gestures, flagrant and violent fouls, taunting, trash talk, baiting, cheating, throwing or abusing equipment, inappropriate posters, physical intimidation or abuse of an official or opponent, and unauthorized leaving of a team bench area.
- **Individual Instruction.** During a season of a sport, a student is permitted to take instruction from a person other than the high school coach at times other than scheduled high school practice sessions, but such instructions shall not interfere with, nor be substituted for the high school coaching, practice sessions, or contests.

- Administrators will be expected to promptly contact the CHSAA office in the case of a coach's ejection.
- A participant or coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next athletic contest at that level of competition and any other athletic contest at any level during the interim.

OUTSIDE PARTICIPATION

- Outside participation is approved for students participating in Unified Sports®. As an example, students in CHSAA member schools that participate in Unified Sports® may also participate on their "club" bowling team during the CHSAA Unified Sports®, Bowling season. This does NOT apply to other CHSAA sports.
- During a season of a sport, a student is permitted to take instruction from a person other than the high school coach. Group instruction, practices with outside teams, and tryouts for outside teams other than as part of a college or university recruiting visit, however, are not permitted.

PLAYING RULES

Official rules and regulations for all Unified sports and activities shall be those posted in the CHSAA bulletin in collaboration with Special Olympics – Colorado and the United States Bowling Congress (USBC).

[Special Olympics](#) | [United States Bowling Congress \(USBC\)](#)

TIE-BREAKING PROCEDURE

Sudden death. An official coin flip will determine who decides on lane and order.

Each team gets one delivery. Higher pinfall wins the tie breaker. The bowler and order are determined by the last game, including substitutions. The same rotation must be used during a tie breaker. For example, the athlete from the final game will bowl the first tie breaker delivery, followed by the first partner (2nd tie breaker delivery, if needed), then the second partner (3rd tie breaker delivery, if needed). The pins are cleared and re-set following each tie-breaker delivery.

UNIFORM/DRESS CODE

All members of the teams should wear school uniforms during play. The following shall apply during Regional/State Championship play:

All bowlers must wear similar shirts of the same color and/or school name/logo.

Proper shoes are required (if applicable).

Participants must keep their uniforms on while in the competition area. Coaches should wear either a team uniform or appropriate coaching apparel in school colors for easy identification. No advertising or sponsorship is allowed on competition uniforms.

Athletes will not be allowed to wear awards during competition.

SUSPENDED GAME POLICY

A regular season game called for any reason where a winner cannot be determined, or any game called at any time for mechanical failure (i.e., lights, electrical issues, etc.) prior to becoming an official game will be treated as a suspended game. If the game is to be completed it will be continued from the point of suspension with the lineup and order of each team exactly the same as the lineup and order at the moment of suspension and subject to the rules of the game. Both schools involved in the game must agree to the suspension.

LAST DATE FOR PLAYING REGULAR SEASON GAMES

All scheduled and postponed regular season meets must be played prior to November 11. Once regional competition begins November 13-15, no regular season contests shall be permitted.

MUSIC LICENSES

Generally, music used for contests (warm-up, half-time, “walk-up” music, etc.) needs to be licensed. Some music may be in public domain; however, most music is not and will require a license. This season take the necessary time to verify your music is licensed through the proper entities. Visit www.nfhslearn.com for additional resources.

The Colorado High School Activities Association (CHSAA) assumes no responsibility for the payment of copyright, royalty, or any other fees associated with the use of music at the Unified Bowling State Championship. The sole responsibility of ensuring that all U.S copyright laws, in connection with music and school performances are adhered to, belong with the school and/or coaches of the representative teams. All penalties associated with non-compliance will be the responsibility of the school and/or coaches of the team.

The NFHS has obtained and secured the rights (Provisional License) for all MEMBERS of the NFHS/State Associations, to perform it publicly, however, schools must still obtain permission to use mashups and mixes.

[NFHS Understanding Copyright and Compliance Course](#)

SAFETY

Coaches must implement a program that stresses safety and injury prevention.

LATE ARRIVAL

If a bowler arrives late, they will be blinded for the first 3 frames. If they show up in those frames, they may bowl the end of that game. If bowlers arrive after the 3rd frame, they will not be able to join that game, but can bowl the remaining games. Bowlers will receive a zero score for all missed games. The score for the completed frames can be used for athletes not able to complete a game due to medical reasons.

Absentee scores will not be used at any level of competition.

Athletes must qualify from a Regional Qualifier to attend the State Competition.

Coaches are expected to provide accurate and honest scores of their athlete’s abilities.

Coaches and spectators will not be allowed on the Lanes while the athletes are competing. Spectators will be given one warning. If a second offense occurs, the spectator will be asked to leave the premises. If the spectator does not comply, the athlete will be disqualified from the event.

Due to facility upgrades, proper ball rolling will be enforced at all bowling events. Facilities are indicating that “lofting” the ball and other actions that can be considered unsafe will not be tolerated and are grounds for disqualification.

Absentee scores will not be accepted. If a doubles or team is short an athlete, they may still compete. The missing bowler’s score will be recorded as zero (0). They will be awarded appropriately based upon their finish within their division. The doubles and team may advance to the next level of competition if they win their division, however the missing bowler will not advance with his/her team. The team must advance exactly as it competed in the qualifying event.

MODIFICATIONS

Adaptive bowling balls may be used.

Wheelchair or assistive device bowlers will only be allowed to stay on the lane surface if their placement does not hamper another bowler's approach.

BYLAWS

Please see Article 45 of the [CHSAA Bylaws](#) for information pertaining to Unified Bowling.

TEAM COMPOSITION

Teams will consist of up to five players, three competing and two substitutions.

Team make-up:

- A. The three students competing should be comprised with at least two students (athletes) with an intellectual disability (see "Eligibility" below) and 1 non-intellectually disabled student (partner). Coaches may play an additional student with an intellectual disability as a partner.

Unified Sports teams must be comprised of boys and girls making it co-ed. A student with a physical disability may participate as a partner.

Per bylaw 2850.3, "(d) COED TEAMS – Whenever the Association designates a coed team, that team must be composed of both boys and girls."

During regular season competitions/events, schools will determine the number of teams they would like to have on their roster. Local facilities, tournament format, and participant numbers on opposing teams may/may not dictate the number of team entries.

NOTE: During district and state championship play, schools will be limited to entering one team from their roster for competition.

(ATHLETE) ELIGIBILITY

1. To be eligible for participation in Unified Sports, an outgrowth of Special Olympics, a competitor must agree to observe and abide by guidelines and rules set forth by the CHSAA.
2. Unified Sports and its parent-arm, Special Olympics, were created and developed to give individuals with intellectual disabilities the opportunity to train and compete in sports activities.
3. Eligibility for participation in Unified Sports:
 - a. General Statement of Eligibility: Please refer to [Bylaw 4520.1](#) for explanation of Unified Sports eligibility.
 - b. Age Requirements: Students must be in high school and meet the age requirements as shown in [Bylaw 1770.1](#). Any special needs student who exceeds the age limit per bylaw 1770.1, would require an approval from CHSAA. Please complete, via the [CHSAA rSchool platform](#), the main transfer waiver. Submit the transfer waiver as a hardship and upload the IEP.

- c. Degree of Disability: Participation in Unified Sports training and competition is open to all persons with intellectual disabilities who meet the age requirement of this Section regardless of the level or degree of that person's disability, and whether or not that person also has other mental or physical disabilities, so long as that person registers to participate in Unified Sports as required by these general rules.
- d. Identifying Persons with Intellectual Disabilities: A person is considered to have intellectual disabilities for purposes to determining his or her eligibility to participate in Unified Sports if that person satisfies any one of the following requirements:
 - i. The person has been appropriately determined by an agency or professional as having intellectual disabilities as determined by such professionals (Individualized Education Program); or the person has a cognitive delay, as determined by standardized measure such as intelligent quotient or "IQ" testing or other measures which are generally accepted within the professional community in that Accredited Program's nation as being a reliable measurement of the existence of a cognitive delay; or
 - ii. The person has a closely related developmental disability. A "closely related developmental disability" means having functional limitations in both general learning (such as IQ) and in adaptive skills (such as recreation, work, independent living, self-direction, or self-care). However, persons whose functional limitations are based solely on physical, behavioral, or emotional disability, or a specific learning or sensory disability, are not eligible to participate as athletes, but may be eligible as a partner.

***The CHSAA does not determine whether a person has an intellectual disability, but determines eligibility based on identification made by an agency, professional, and/or local school.**

4. NOTIFICATION FROM COLORADO DEPARTMENT OF EDUCATION ON SPECIAL EDUCATION SERVICES AND UNIFIED SPORTS®

Unified Sports® and Special Education

Link: <https://sites.ed.gov/idea/>

(PARTNER) ELIGIBILITY

Though Unified Bowling allows for partners with disabilities other than intellectual disabilities, Unified Sports® was developed to provide Special Olympics athletes with the choice of a sports program that brings about meaningful inclusion with their non-disabled peers. The desired objectives of a Unified Sports® experience are best fulfilled when partners on a team are individuals without disabilities. Even though an individual with a disability may make an appropriate partner, schools should focus on forming teams that are not composed solely of people with disabilities.

PLAYER EJECTION

Any player who has been ejected from a match, contest, or performance shall be disqualified for the remainder of that match, contest, or performance. In addition, the player shall be suspended from competition for the next scheduled match, contest, or performance played at the same level (sophomore, junior varsity, or varsity).

COACH EJECTION

A coach ejected from a contest for committing an unsportsmanlike act shall be suspended from coaching for the next regularly scheduled match or contest of the same level. He/she may not coach in any other contest at any level during this time.

A coach ejected from a game is automatically placed on probation according to policies established by the Board of Directors (For necessary action by the school administration, see [CHSAA Bylaw 2420.11](#)).

A coach ejected from a game is required to complete the following courses offered on-line by the National Federation of State High School Associations (NFHS): Sportsmanship; and, Teaching and Modeling Behavior. These courses shall be completed before he/she will be removed from probation and must be finished in a reasonable amount of time during the season to be determined by the school's athletic director.

COACHES INFORMATION

Each coach should become familiar with all eligibility rules. CHSAA Handbook has been distributed to member schools. If you do not have access to this material, contact your athletic director.

ONLINE UNIFIED BOWLING RULES MEETINGS

This meeting will be available on the [rSchool platform](#).

MEETS

Rescheduled Meets: Rescheduling regular meets after regional or state competition begins is prohibited.

FORMAT

The three player co-ed/modified baker format is an exciting and truly team-based method of bowling. A Baker Game is when multiple bowlers bowl one game. Team members will rotate between the three on roll a ball. This will take place for all games. Regardless of a spare or strike the next participant will roll the ball.

The three player co-ed/modified baker format gives equal playing time for each member; creating meaningful participation that is essential to the Unified Sports® model.

Three Player Co-Ed/Modified Baker Format (Bowlers alternate in order after each roll)

Team of three bowlers (A, B, C) Team must be Co-ed with two athletes and one partner

Example Team: A) Athlete1 (Female) B) Partner (Male) C) Athlete2 (Male)

A	B	C	A	B	C	A	B	C	A	B	C	A	B	C	A	B	C
6	2	7	2	3	4	8	/	9	—	X	X	X	6	3	8	/	7
8	17	24	43	52	82	108	127	136	153								

Each participant rolls a ball at a time.

Order: Teams may choose their own bowling order but may not switch that order in games themselves.

Substitutions: A coach may substitute players at any time (frame) during the game. Once a player has been substituted for, he/she may not re-enter the current game. Substitutions must keep the original team composition in place (Athlete/Athlete, Partner/Partner). See “Team Composition”

Games/Winner: Each Trio team will bowl 5 Baker games within each meet. The winner of the meet will be decided by total pinfall. This means that the total score from all 5 games for each team is added together and the team with the most pins wins the event.

Lanes: All team members bowl on the same lane, bumpers are NOT used. In an effort to stay on the same schedule, teams shall not start a new game until their opponent has finished their current game.

Scoresheets/Information: Coaches/Administration shall pre-communicate their team information including: team composition and substitutions, bowling order, and shoe orders. All scoring discrepancies should be reported to the score monitor or the event administrator.

Official: The administrator in charge during regular season events and district competition will serve as the head official regarding any disputes. During state competition, the CHSAA will have personnel in place.

Coaching: All coaches should remain outside of the lane area unless assistance with accommodations is needed. There are no restrictions on when a coach may communicate and coach participants.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Each state association may, in keeping with applicable laws, authorize exceptions to playing rules to provide reasonable accommodations to individual participants with disabilities and/or special needs, as well as those individuals with unique and extenuating circumstances. In order to determine if the CHSAA can authorize such an accommodation, the school administration should submit a request for accommodation. All accommodations are due by November 8th.

Request for Accommodation [HERE](#)

BOWLING BALL RAMPS & OTHER ASSISTANCE DEVICES

*Ramps are a two-piece metal unit, one stand and one sloped piece. The stand is a minimum height of 24 inches and maximum height of 28 inches. The stand width is 24 to 25 inches across. *The measurements for height and width should be within 2-4" of the dimensions shown. * The sloped piece, from connecting point to stand to first bend is 16 inches and from first bend to bottom of sloped piece is 54 inches.*

Ramps may be used when an athlete does not have the physical ability to roll a ball with their hand or hands. If a participant uses a ramp to bowl, it is the responsibility of that program to bring the ramp to competition.

Ramp Bowling: The athlete may be unassisted or assisted when aiming the ramp or positioning and releasing the bowling ball. If assisted, the assistant should have his/her back to the pins the entire time and receive direction from the athlete through verbal or physical cues.

Other Assistance Devices: If you have a participant(s) that would benefit from other assistance devices, approval must be granted, prior to usage, from the CHSAA office.

Weights may be added to the ramp for stabilization. The Tournament Director for safety concerns and protection of the Lanes must inspect ramps with attached weights.

The entire ramp must remain behind the foul line.

Ramp bowlers must propel the bowling ball independently.
