Activities Directors together with Speech and Debate Coaches:

The Colorado High School Activities Association would like to welcome you to the 2024-2025 Speech and Debate competitive season. We are looking forward to another successful season for our schools, students, coaches, adjudicators, and our supportive communities.

The Speech and Debate Advisory Committee, as they do every year, has worked to create a document that will help you to understand the rules and regulations associated with this activity. Their efforts are to prepare you for the regular season and the CHSAA State Tournament. With three State Tournament classifications, it is important for you to know and understand the new format, the rules that govern each level, and who to contact to get your team the most relevant information. This is where you will find that information. For information throughout the year, I encourage you to connect with us through our website: www.CHSAANow.com, and other social media platforms.

PLEASE TAKE TIME TO BECOME THOROUGHLY ACQUAINTED WITH THIS PUBLISHED DOCUMENT

Enclosed you will be able to locate the general policies that will be in effect during the 2024-2025 season. The critics/judges are expected to enter the [CHSAANow Speech and Debate website](#), hover over the activities and select speech and debate in the dropdown. From that main page, they can [complete the online test](#) before the competition begins for the varsity season opening on November 1. The critic/judge's test is a requirement for those judges before they will be considered to judge for any State Tournament.

Best wishes for a successful season and we appreciate your contributions to high school activities and supporting Speech and Debate in Colorado.

Sincerely,

A handwritten signature in black ink that reads 'Rashaan Davis'. The signature is written in a cursive, flowing style.

Assistant Commissioner

CHSAA Speech and Debate Mission:

The CHSAA mission in speech and debate is to provide opportunities and assist its participants in developing diverse communication skills while competing at the highest levels in high school speech and debate. The purpose of this is to instill discipline, teamwork, sportsmanship, honesty and integrity in a highly specialized activity. CHSAA Speech and Debate coaches teach their participants to respect the activity's core values, work hard and compete honestly.

CHSAA Speech and Debate Inclusion Statement:

The CHSAA Speech and Debate community believes inclusion is vital to our community. We are committed to providing a safe and equitable learning and competitive environment that fosters a mindset of empathy, respect, and belonging for all involved in Speech and Debate, including, but not limited to, students, coaches, judges and community members. We honor differences including races and cultures, genders and sexual orientations, abilities and aspirations, identities and affiliations, socioeconomics and worldviews. Embracing our diversity prepares our community to thrive. Individuals found to have violated this policy will be subject to the full range of sanctions, up to and including removal from the tournament premises.

CHSAA Speech Organization

Philosophy: CHSAA seeks to provide a positive competitive speech experience for Colorado high school students by

- Supporting a state-wide competitive speech program to provide students with the opportunity to develop and to perfect communication skills
- Supporting education and development of coaches
- Supporting the education and development of speech judges
- Creating a competitive environment governed by sportsmanship and fair play
- Developing rules and regulations to create a common ground for the running of tournaments
- Organizing regional and state competitions
- Providing information and resources designed to make speech programs more effective

Table of Organization: CHSAA operates three different classifications for Speech and Debate, each of which will hold a state championship competition (3A/4A/5A). Each fall, CHSAA will post online the Current Season Bulletin, which lists all schools by classification. Any school may petition CHSAA to enroll in a division different than the one that matches their school enrollment. To do so, the school's athletic/activities director must notify CHSAA in the spring of the year of their intention to do so the following year.

CHSAA Speech Chain of Command:

- CHSAA is governed by the **Legislative Council**, which must approve any changes in rules or procedures. Any proposed changes must be presented to the Legislative Council at their April meeting; and if approved, those changes become effective the following school year.
- The **CHSAA Assistant Commissioner** who administers speech is Rashaan Davis. He is the commissioner in charge of CHSAA speech activities in the state of Colorado. His executive assistant is Nicole Jimenez.
- The **Speech Activities Committee** is the representative body that proposes and passes rule changes to be presented to the Legislative Council. This committee is appointed by CHSAA. While every attempt is made to provide each region with a representative, that is not always possible. Members are appointed to a three-year term. In order to be considered, interested coaches must have their principals submit their names to CHSAA by April of the year prior to when they wish to replace an outgoing committee member. This committee meets in March once all three state competitions have been concluded so that their new proposals can be taken to the Legislative Council for approval. When called upon, the committee also convenes at the fall speech conference and/or during the summer.
- The **State Tournament Chair** is selected by the CHSAA Assistant Commissioner with input in the form of nominations from the State Speech Committee/Coaches. The chair is selected for a two-year term. The first year he/she serves as co-chair and the second year he/she acts as State Tournament Chair. This assures that the chair will always have experience in running the State Tournament. Those who are nominated need not be members of the State Speech Committee. Coaches who are interested in serving should let a member of the State Speech Committee know that they would like to be nominated.

CHSAA believes that serving in any of these positions is a learning experience and therefore, believes that the opportunity to serve should be shared. To give as many people as possible a chance to serve, when possible, no committee member can continue for a second consecutive term.

A goal of this organization is to communicate as effectively as possible. Therefore, remember these important ways to stay updated:

- CHSAA has a website for speech: www.chsaanow.com ([access activities and go to speech and debate](#))
- Phone: 303-344-5050 when prompted, press #4 for Activities
- E-mail: rdavis@chsaa.org or mtenorio@chsaa.org

Legislative Council

72 school administrators acting as voting members representing every league in the state. Approve all committee reports and new by-law and rules changes.

Board of Directors

17 members from geographical regions act similarly to a school board. Oversee the day-to-day running of the association.

CHSAA Staff

7 administrators charged with implementing the by-laws of the association and producing the state championships in the sanctioned activities.

Sport and Activity Committees

Set up the individual activity playoff and championship format. Determine starting dates as well as ending dates for the activity.

Speech Activities Committee

On this eight-person committee, every effort is made to balance the committee so that there are at least two representatives from each of the different classifications. All CHSAA Speech and Debate rules are approved by the activities committee, as there is no National Federation Rules committee. Rules are expected to meet the needs of all Colorado students, regardless of the size or background of their schools.

FALL COACHES CONFERENCE

(4-5 people) Organizes & assigns coaches to run the fall workshop for all Colorado speech coaches.

Speech Tournament Committee

(Tournament Director and Co-Director and additional coaches) The Committee hosts and administers the State Tournament by the rules set up by the Speech Activities Committee & CHSAA. Assigns people to work all of the positions needed to run the state tournament. Attempts to assign workers for state to include experienced and newer coaches from all areas of the state.

Speech Activities Committee

Through its sub-committees tries to involve newer and more experienced coaches in its activities. Their goal is to try to maintain 1/3 of the people involved in the activity as newer coaches. Every attempt is made to try to educate newer coaches through involvement at the tournaments and the Fall Coaches Conference.

- 4A Tournament Pueblo Central February 21 - 22, 2025
- 5A Tournament Overland HS February 28 - March 1, 2025

4A	February Topic	January/February Topic	N/A
5A	March Topic	March/April Topic	24-25 Resolution

3. New CHSAA cycle for school classifications (2024 – 2026). Full list of schools by classification can be found at <https://chsaa.news/data/CLOC/2024-26/classes/> (select “by Sport” and use drop down menu to select Speech and Debate).

4. Adopted NSDA Language regarding the use of Artificial Intelligence:

- *Generative Artificial Intelligence: In events in which speeches must be the original created work of a competitor (OO, INF, IX, USX, IMP, CST) students are prohibited from quoting or paraphrasing text directly from generative AI sources. Generative AI should not be cited as a source. The exception is that a student delivering a speech about the topic of AI may quote AI to illustrate their points about AI, in accordance with existing quoted word limits. While generative AI may be used to guide students to articles, ideas, and sources, the original source of any quoted or paraphrased evidence must be available if requested.*
- *In debate events, generative AI should not be cited as a source; while generative AI may be used to guide students to articles, ideas, and sources, the original source of any quoted or paraphrased evidence must be available if requested.*
- *In Interpretation events, students are prohibited from performing material created by generative AI sources. Generative AI should not be used as a source of material; while generative AI may be used to guide students to articles, ideas, and material, the original source of any material that is performed must be available if requested.*

5. Added quarterfinals for events with events with 40 or more entries eligible to advance.

6. Clarified ballot release process for electronic ballots:

If eballots are used, ballots will be released electronically to coaches after the round for all rounds through semi-finals at a minimum. Coaches should review ballots; however, results and judge feedback should not be shared with competitors until the conclusion of the tournament.

7. Changes to Congressional Debate:

- For Congressional Debate, total preset recency positions from preliminary rounds will be used to determine recency for advancement rounds. The participant with the highest cumulative recency total from preliminary rounds will have the earlier recency position in advancement rounds. Finals recency will be based on cumulative recency from prelims and semifinals (if applicable). Semifinal recency will be based on prelims. In the case of a tie, a random draw will determine order among all tied participants.
- PO Award goes to student who serves as PO for the longest amount of time
- One hour of presiding counts as one speech towards precedence
- Clarification of procedure for determining questioning precedence (random – independent of schematic) and speech precedence (schematic).

8. CHSAA and Speech Activities will continue to explore options for judge background checks.

9. Sweepstakes awards will continue to be piloted in the 2024-2025 school year. A committee will meet to explore

tiebreak procedures for sweepstakes.

10. Doubling discussion for 3A – no changes to doubling, but a different schedule will be used to accommodate Congressional Debate prelims.

Reminder: Please read the Bulletin (CHSAA website) for CHSAA bylaws and other important information pertinent to Speech and Debate.
