BEGINNING OF THE SEASON ROSTER

Under policy adopted by the Legislative Council, each school is required to submit a team roster listing all its girls' on the gymnastics team to the CHSAA Office at the beginning of each season. Late roster additions during the season may be forwarded to the CHSAA office as needed.

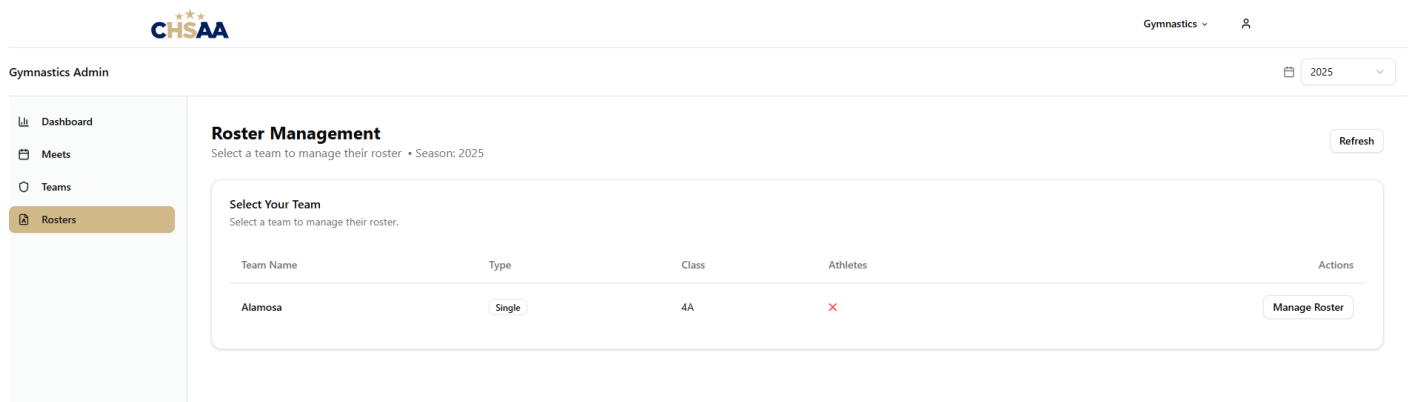

The roster serves as a beginning checkpoint for a policy that was approved by the Legislative Council that requires that any individual gymnast must compete in a minimum of five (5) meets during the regular season to be eligible to compete in the regional and state meets.

Rosters must be submitted to the CHSAA office by **September 5th** via the NEW CHSAA Gymnastics platform ONLY. Follow the path below to submit your roster form. (This roster will be the one used for the State Roster as well; see below).

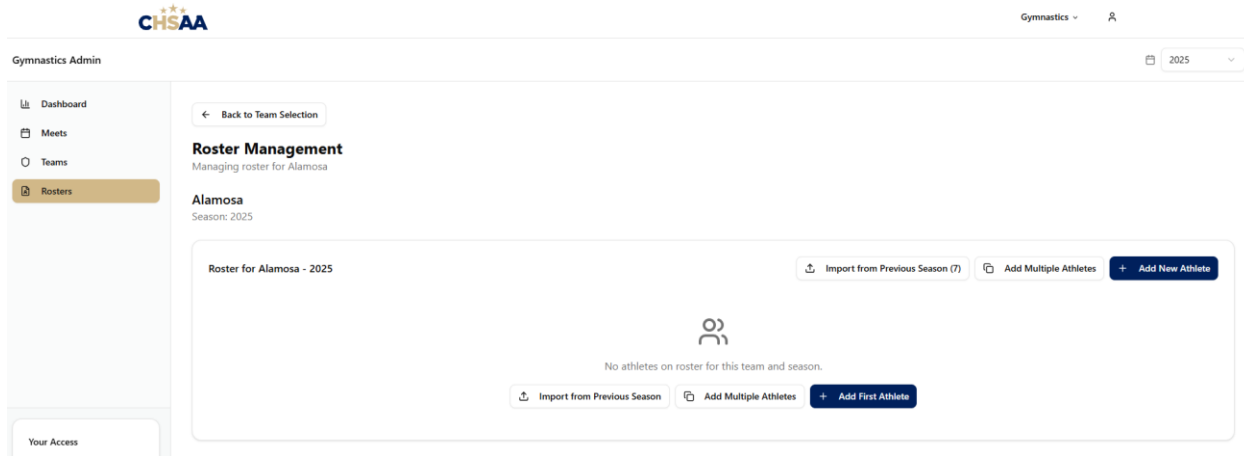

All team rosters are to be submitted to the CHSAA Office by first Friday in September (September 5, 2025), and are subject to late fee if not submitted date listed.

NEW: SUBMITTING SCORES IN NEW CHSAA GYMNASTICS PLATFORM

Only coaches who are hosting a meet are given permissions to use the following website to create meets and submit results:

[Create Meets & Submit Results](#)

It is the responsibility of each head coach to ensure that all regular season gymnastics meet scores are posted to CHSAA Gymnastics platform. The site will be monitored through the season to ensure that all scores are being entered. Results must be submitted within 48 hours of the completion of the meet.

CHSAA will use the CHSAA Gymnastics platform to verify that gymnasts have participated in minimum required meets.

The results will then appear here: <https://chsa.co/gymnastics>
