

## COLORADO TENNIS UMPIRES ASSOCIATION, INC.

### OUR MISSION:

*To recruit, train and develop high quality officials  
to support the umpiring needs of the Colorado tennis community*

The 2025 season is here! As you plan your events this year, we offer our help in making your event the best ever. We can assist you with tournament refereeing, seeding, chairs, lines, and the most popular service, the roving official. Throughout the past seasons, you and your participants continued to tell us that our involvement helped make your tournaments successful and easier to run. **Thank you** for your continued support! To meet your specific needs, contact us **as early as possible**, so that we may confirm dates and schedule any particular CTUA official(s) that you may request, when practical.

**We fill event requests on a first come, first served basis, so the earlier you contact us, the better.**

## OUR PLEDGE TO YOU

As **trained, tested, USTA-certified, and CTUA endorsed** umpires, we will:

- ✓ Know and interpret the **current** and pertinent rules of tennis throughout your tournament, assuring **fair** and **consistent** application of those rules
- ✓ Adjust nets to **regulation** height (tighten when necessary), maintaining uniform play.
- ✓ Set up singles sticks.
- ✓ **Time warm-ups** encouraging matches to **start promptly** (20 minute warm-ups hurt). Unsupervised warm-ups alone can add over 1½ hours, a **whole round** to a day's schedule! Report **open** courts for backed up matches, reducing wait time and player complaints.
- ✓ Administer **lateness penalties** and **code violations** in a **fair** and **consistent** manner, reducing players', students', and club members' grievances.
- ✓ **Address** spectators' and parents' conduct, including **improper** coaching, without direct **reprisal** to you.
- ✓ Manage **medical** time-outs with respect to the players and the rules.
- ✓ Handle match **suspensions** for **darkness**. **Simplify** weather delays and **expedite** resumption of play in the most efficient and effective way.
- ✓ Settle disputes, **relieving you** of knowing and interpreting the **details** of the current rules -- and **fairly** enforcing these rules in what often can be a **highly charged setting**.
- ✓ Answer questions and **inform** the tournament committee, the players, spectators, coaches, juniors, and others who are interested in the rules and regulations of the game.
- ✓ In addition, we rove. We are **accessible** when and where needed, paying particular **attention to close** and **contentious matches**. An umpire's mere **presence** around the courts can help **diffuse** potential **conflict**, reducing foot-faults, questionable calls, assuring a high level of **fair** play.
- ✓ Yes—we do **call** foot faults—but only when we **see** them!
- ✓ Our goal—"make molehills out of mountains!"

We help make the professionalism of your tournament shine straight through to your sponsors, club members, participants, students, and fans!

Have them leave saying,

**"That was a great, well-run tournament!"**
