#### WARM-UPS—HALF-TIME & BEFORE GAME TIME

Teams will warm up at the basket nearest their team bench at half-time of the preceding game if they choose and are allowed by game administration. Prior to the start of the game, teams will warm-up at the basket that is further from their benches. Teams playing the day's first games will be permitted on the playing courts for warm-ups no earlier than 30 minutes prior to the start of the contest.

After the first game, time will be put on the clock for warm-up. Team introductions will follow the warm-up period with the visiting team non-starters being introduced first, followed by home team non-starters. Then, starters will be introduced on an alternating basis and they should shake hands at mid-court. (1A, 2A and 3A teams will have 10-minute warm-ups because of the number of games to be played). Class 4A, 5A, 6A will have a minimum of 12 minutes between games (adjustments may be made on site to stay close to time schedule). \*\*6A Girls Championship game will be allowed 25 minutes of warm-up time following the Unified Game\*\*
