What you can expect:

3 person officiating

Evaluated every game

Learn officiating philosophies that will enhance your abilities to advance your game.

Classroom sessions that will cover a number of topics including:

1. Patient whistle

- Is your 1st whistle a good one?
- How to see the whole play before you blow your whistle?
- Advantage/Disadvantage

2. Across the paint whistles- Mission to eliminate it from the State of Colorado

- Allow the C to take that call
- If there is a double whistle, give it to the L

3. Scoring and timing

- "50/50 plays, etc." who are you giving the ball to?
- End of game situations.

4. Ball Watching-

- Stay in your PCA! Simplifies the game immensely.
- Work to expand to the next competitive match up in your coverage.

5. How to be the best C referee

6. Why should we hustle to the table to report!!

- makes a 10 call stay at 10- walking makes it a 5 or 6

7. Shot Clock Training- On the court and Classroom sessions

8. Video Review
